ARAB GENERAL STRIKE PASSES OFF QUIETLY.

JERUSALEM, March 22, (Jewish Telegraphic Agency) The general strike called by the Arab Executive to protest the arrest of disorderly agitators at the recent celebration of the Arab boycott or the Palestine elections passed without any serious disturbance. The response to the strike call was not as large as had been anticipated, it is reported.

The Arab Executive heeding the instructions of the police held no street demonstrations, confining their protest merely to the issue of a manifesto demanding a "national government" for Palestine, the abolition of the British Mandate and a Federation of Arab states.

FASCISTI PLOTTED TO BLOW UP FRANKFURT SYNAGOGUE ON PURIM.

BERLIN, March 22, (Jewish Telegraphic Agency) Bavarian Fascisti sought to conspire with the French troops at Mayence to blow up one of the richest synagogues in Frankfort-on-the-Main, according to a report published in the Frankfurter Zeitung. The explosion which was frustrated was to have taken place last Purim.

Five of the Fascisti involved in the plot, members of the Bluecherbund have been arrested. They are charged with having approached Capt. Pomarade of the French forces at Mayence and to have asked that the French provide them with automobiles and hand grenades to execute the plot. They declared that the blowing up of the synagogue would give a signal for a general uprising against the German government. Capt. Pomarade is said to have referred the conspirators to a special French agent and the entire matter was finally referred to the Mayence headquarters.

The French later, according to the Frankfurter Zeitung, decided not to share in the conspiracy and also forbade the Germans to execute it. Meanwhile, news of the conspiracy leaked out and a number of the ringleaders are in jail. The arrested men are: Alfons Bau Walter, Eberhardt, Adolph Metzger, Jacob Rullmann and Gustav Hielle.

LONDON, March 21, (Jewish Telegraphic Agency) A total of 27,000 Jewish immigrants have entered Palestine since 1918, according to a statement by Ormsby Gore, of the Colonial Office, in the House of Commons today.

Ormsby Gore was asked whether he was informed about the "attack on the peaceful Arab demonstration in Jerusalem last week, when several Arabs were wounded?"

He replied that a few Arabs were wounded when they interfered with the police who were attempting to arrest certain individuals shouting provocative and abusing language at the Jews and singing pro-Turkish songs. Order has since prevailed throughout the country, Mr. Gore added.

ROUMANIAN JEWISH STUDENTS KEPT OUT OF CLASSES.

BUCHAREST, March 22, (Jewish Telegraphic Agency) The recent series of outbreaks against Jewish students in Roumania has resulted in their virtual absence for the time being from all classes.

All of the departments of the various Roumanian universities are functioning as before the disturbances, except that no Jews are to be seen in the classes. The anti-Semitic students in the law departments have given notice that they will continue to press their demands for the introduction of the "numerus clausus".

AMERICAN MISSIONARIES OPERATE IN RUSSIA, IS CHARGE.

MOSCOW, March 22, (Jewish Telegraphic Agency) Charges that an organization known as the American Christian Relief Organization which is concentrating its efforts in the Ukraine is really a missionary organization camouflaged as a relief agency and that its representative in Moscow Herman Gentz is a missionary are being openly made here. The organization is said to have its headquarters in Philadelphia or New York.

The American Red Cross, the Quakers relief service operating here as well as the Soviet government are said to be ignorant of the society's true purpose, but its expulsion from the Russian field is certain if the government discovers that it is a missionary enterprise.

A group of missionaries from London were expelled by the Russian government recently for attempting to carry on missionary work in the Ukraine.

INVESTIGATE ANTI-JEWISH POSTERS AT N.Y. UNIVERSITY.**Menorah President Charges Discrimination Openly Practiced.**

NEW YORK, March 22, (Jewish Correspondence Bureau) The authorities of the New York University are anxious to determine who was responsible for the placing some time Monday night of posters about the dormitory and other parts of the campus calling upon Jewish students to get out.

"Strictly Kosherers are not wanted up here" was the wording on the posters. They were discovered early in the morning and were immediately torn down. Reference to them was made by Dean Archibald L. Bouton of the College of Arts and Sciences at the chapel services the same day who condemned them as "contrary to all the aims and principles of our institutions".

Chancellor Brown refused to make any statement on the matter to the J.C.B. representative, but university authorities said that the placing of the posters was particularly surprising at this time as feeling between Christian and Jewish students at the university had recently shown signs of improvement.

Recently, Mitchell S. Fisher, a Phi Beta Kappa Senior and president of the N.Y.U. Menorah sent a letter to the N.Y.U. Daily News in which he charged that social discrimination on a large scale is being practiced at the university. Fisher charged among other things that only Christians are allowed to attend the annual junior promenade.
