CAMPAIGN AGAINST EAST EUROPEAN JEWS IN GERMANY CONTINUED.

East-Europeans Must Give Way for Ruhr Germans, Anti-Semites Cry.

BERLIN, April 2, (Jewish Telegraphic Agency) The claim that Berlin and other parts of Germany must find room for the Germans now leaving in great numbers the Ruhr region, is being used by the anti-Semitic press as a further argument in their campaign against the East European Jews who have recently settled in Germany.

The German anti-Semites, according to Dr. Paul Nathan, a leading spokesman of German Jewry, are also using the immigration restrictions of the United States to further their campaign. They urge that Germany follow the example of the U.S. which has raised the bars against immigrants and go a step further and refuse admission to Jews.

"If the U.S. were to drop its immigration restrictions the German anti-Semites would lose their principal argument against the Jewish immigration", Dr. Nathan declared. It is estimated that there are at present 50,000 East European Jews in Germany.

Dr. Oscar Cohen, a Jewish socialist leader is warning the anti-Semites that it is to Germany's own interest that she treat the East-European Jews in her midst properly. "Millions of Germans may be forced to leave Germany for other countries. Then the Germans will know the sufferings of the wanderer. The help of the Jew in the countries where he may immigrate to may prove helpful to the Germans in that contingency." Germans should not underestimate the power of the Jews in other countries, Dr. Cohen declared, pointing to the severance of diplomatic relations with the Czar by the American government because of his refusal to admit an American Jew of East European origin in Russia.

BUCHAREST, March 30, (Jewish Telegraphic Agency) Jacob Kalich and Molly Picon, American Jewish actors who were the headliners at the Jewish theatre in Bucharest, closed yesterday by the government have appealed to the United States Minister at Bucharest to use his good offices to have the closing order rescinded.

While no reasons were given in the closing of the theatre, it is believed to be due to the fact that it was the scene of anti-Jewish riots in Bucharest last week.

WARSAW RABBIS PROTEST EXECUTION OF CATHOLIC ARCHBISHOP.**Anti-Semites Demand Rabbis Held as Hostages.**

WARSAW, March 30, (Jewish Telegraphic Agency) The Warsaw Rabbinical Association and leading rabbis from all parts of Poland have joined in the protests against the execution of Archbishop Zepiask and the other Catholic prelates condemned to death by the Soviet government. The resolution adopted by the Rabbinical Association also protests in general against the stern attitude of the Soviet government towards religion.

Notwithstanding the protests, at a demonstration of anti-Semites held here to protest the execution of the prelates it was demanded that all Jewish rabbis of Poland be arrested and held as hostages until the priests are released.

"PRAVDA" RIDICULES RABBIS' PROTEST.

MOSCOW, March 31, (Jewish Telegraphic Agency) The "Pravda" in an editorial today ridicules at great length the protest of the New York rabbis against the execution of the sentence against Archbishop Zepiask.

"The Jewish bankers rule the world" says the paper.

"The Jewish rabbis forget that for centuries the Jews were persecuted by the Catholics".

The real reason, according to the Pravda, for the protest of the rabbis is their fear they will be selected next for execution. The rabbis know "today you - tomorrow I", says the Pravda.

"Soviet Russia," continues the editorial, "is not embarrassed by the protest. It would without any compunctions also hang the clerical representative of Kuhn, Loeb & Company or Rothschilds' if it were necessary in the interests of the revolution".

ARBEITER RING DELEGATE BARRED THROUGH MISUNDERSTANDING.

MOSCOW, March 31, (Jewish Telegraphic Agency) The failure of the Soviet to grant a Russian visa to Guskin Weinberg, one of two delegates of the American Arbeiter Ring, who came to Russia to establish a hospital under its auspices, was explained in a letter by Maxim Litvinoff today.

"The visa was originally refused", says Litvinoff "owing to a misunderstanding, but as soon as the matter was cleared up instructions were issued to visa the passports, but Weinberg had already left. We esteem the aid of the Arbeiter Ring and all other workers' organizations to the Soviet. No obstacles have ever been nor will be placed in the way of their representatives to enter Russia."

Litvinoff's letter was addressed to a representative of the Arbeiter Ring.

The request that the government permit the opening of the Jewish theatre, where Jacob Kalich and Molly Picon, American Jewish actors were playing, and give it police protection has been denied and the actors, it is expected, will have to leave Roumania.
