## POLISH SOCIALIST PROTESTS JEWISH RIGHTS VIOLATION.

WARSAW, July 25, (Jewish Telegraphic Agency) An interpellation was submitted the government in the Sejm by Deputy Zulawski of the Polish Socialist Party (P.P.S.) demanding the reason the authorities have forbidden the Jews of Wlohylnia to use publicly the Yiddish language.

Zulawski pointed out that this order was in direct violation of the constitution.

The Deputy's championing of Jewish rights created something of a sensation as it is a rare event in the Polish Sejm to witness a non-Jewish deputy taking up cudgels for Jewish rights.

It is the first time that a representative of the Polish Socialist Party championed a Jewish cause.

## EXCESSES AGAINST ROUMANIAN JEWS COMMONPLACE.

BUCHAREST, July 25, (Jewish Telegraphic Agency) "Miniature pogroms" have become a commonplace and almost a regular feature in Jassy, according to reports the "Auroa" published here.

Hooligans have lately taken to the practice of barring the way of Jews seeking relief from the heat in the public parks.

Sabbath seems to be particularly favored by hooligans for their brutalities. On Friday evening last anti-Semitic student disciples of Cuza, the fanatical Professor, surrounded the municipal park and shouting "death to the Jews" blocked the entrance of Jews.

## SCHOOLS CLOSING SATURDAY MAY OPEN SUNDAY.

BUCHAREST, July 25, (Jewish Telegraphic Agency) The Minister of Instruction has issued an order exempting Jewish schools which are closed on Saturday from also closing down on Sunday.

Word has been received here from Bascani, Bessarabia, that the authorities have closed the synagogue, giving no reason for their action.

**HUNGARY PAYING FOR NUMERUS CLASUS.**

BUDAPEST, July 10, (J.T.A. Correspondence) Writing on the subject of the "numerus clausus", "Vilag", a local newspaper, says the number of university students who have emigrated because of the numerus clausus may without exaggeration be estimated at 5,000, possibly 6,000.

The cost of maintenance of these young students abroad must amount on the average to about 130,000 Hungarian Kronen per month. In one year that amounts to 1,300,000 Hungarian Kronen per student. For 5,000 students it amounts to 6½ milliard Kronen. This huge sum, if not more, is lost to Hungary every year because of the numerus clausus.

During the three years in which the numerus clausus has been in operation, Hungary lost in this way about 20 milliard Kronen, the paper asserts.

Kowno, he declares, is in the hands of "Jews and officials".
