UNEMPLOYED PLUNDER JEWISH SHOPS IN GALATZ.

Czernowitz, Roumania, October 31. (Jewish Telegraphic Agency). Most of the Jewish shops in Galatz, Roumania, were plundered Thursday by crowds of unemployed, Jewish transients passing through Czernowitz declare.

A menacing anti-Semitic wave is sweeping over that section of Roumania, it is declared.

Confirmation of this report from the supposed scene of disorder is entirely lacking, due perhaps to the censorship probably imposed by the Galatz authorities.

BETHLEN REASSERTS HUNGARY FOLLOWS "CHRISTIAN NATIONAL COURSE."

Budapest, October 31. (Jewish Telegraphic Agency). The present Hungarian Government in its administration of the country's affairs is consistently following along the lines of the "Christian National policy", Prime Minister Bethlen declared in Parliament yesterday.

The Premier at the conclusion of a long address outlining the Government's policy said that there was a time when the Government was reproached for its alleged anti-Semitism. At present, however, he said, the Government is charged with pursuing a Jewish policy and of having sold itself to the bankers. "Neither of these assertions are true. The Government consistently striven to restore the country to the Christian National course, pursuing such policies, however, as appear to be necessary in view of the immediate requirements."

Shouting "Out, you Jewish loafers!" the mob made for a ~~cafe~~ occupied by an invalid Jewish physician and his friends, all of whom escaped from the cafe, bleeding profusely as a result of the encounter.

The Nationalists announce that this was but the beginning of a campaign to limit the number of Jewish guests in cafes.

The Hebrew inscriptions on the caskets were deciphered as Eliezer, Joshua, Simeon and Shalom-Zion.

## MASONIC COMMANDER OBLIGED TO QUIT FOR AIDING KLAN

Past Grand Commander Retired in Disgrace Following Disclosure of Pro-Klan Articles in Masonic Paper.

Washington, October 31 (J. T.A.). That the Klu Klux Klan has spread its tentacles even to the highest places of the American Masonic Organization, which has been presumed at least semi-officially opposed to the Klan, was revealed here by the sensational forced resignation of Judge George Fleming Moore, past Grand Commander of the Supreme Council, thirty third and last degree of Scottish Rite Masonry, Southern Jurisdiction. This jurisdiction includes the entire South.

The resignation became known at the annual assembly of the Supreme Council, which has just concluded its sessions. It was brought to the attention of the body that since the last assembly a Masonic paper edited by Judge Moore, "The Fellowship Forum", published in Washington, has become a semi-official organ of the Klan, many articles having appeared there lauding the masked organization.

Judge Moore, it is understood, was severely denounced by members of the Supreme Council for lending the Masonic Organization to furthering the aims of the Klan, and he found so little sympathy from his colleagues that he was obliged to submit his resignation, which was accepted, despite his previous exalted position in the Order. This virtually retired Judge Moore in disgrace, an almost unparalleled incident in high Masonic circles, which are exceptionally free from internal dissension.

## COMMISSIONER HIRSHFIELD REBUKES AID FOR PART IN ZANGWILL-UNTERMYER FIGHT

New York, October 31 (J. T. A.) Commissioner of Accounts David Hirshfield "regrets very much" that Henry H. Klein, Deputy Commissioner of his, mixed in the controversy between Israel Zangwill and Samuel Untermyer.

"I regret very much", Commissioner Hirshfield said, "that Henry H. Klein, a deputy in my office, has seen fit to enter, under his official title, the controversy between Zangwill and Untermyer. Mr. Klein does not in any way represent views similar to mine. In my opinion, it is unfortunate for Zionism that in this controversy persons are injecting themselves who have never studied Jewish history, and never read the Old Testament. They have no interest in Judaism and simply plunge into the controversy for whatever publicity they can get out of it".

## JEWISH CANDIDATES ENDORSED BY CITIZENS UNION

New York, October 31 (J. T. A.) Forty-four of the sixty-two assembly candidates nominated by the Republicans and Democrats were held today by the Citizens' Union to be unworthy of the support of voters in Manhattan and the Bronx.

Assemblyman Steinberg, the only Republican member of the Rules Committee from this city in many years, was highly recommended by the Citizens' Union.

"He is a legislator, of courage and wide experience, who has just completed his most useful year at Albany, and who unquestionably deserves re-election on his excellent record".

On the Tammany side, Assemblyman Bloch received the highest measure of praise.

Eight Republican and eight Democratic nominees were endorsed in Manhattan and only one of each party in the Bronx. The endorsed Republicans include: Sol Ullman, 6th; Victor R. Kaufman, 7th; Joseph Steinberg, 15th. Among the Democrats Frank A. Carlin, 5th; Samuel I. Posenman, 11th, Maurice Block, 16th, and Joseph A. Cacagan, 22nd. ## JEW'S PART IN AMERICA DEPENDS ON HOLD ON IDEALS, WISCONSIN STATE TREASURER SAYS

Minneapolis, Minn., Oct. 30 (J. T.A.) That the Jewish people have a great contribution to make to America, but that that contribution can be made only if the Jews hold fast to the high ideals and traditions of their race, was the statement of Solomon Levitan, State Treasurer of Wisconsin, in an address before The Independent Order of B'nai B'rith at Minneapolis, tonight. "High on the roll of men who have given great service to this country as Jewish-Americans"; Mr. Levitan placed the names of Justice Brandeis, Dr. Simon Flexner, Julius Rosenwald. "These are names to conjure with", declared Mr. Levitan.

"I need to recall to you only a few names to prove that the Jews of today are making a great contribution to America. In the realm of music there is Leopold Auer, Joseph Hoffman, Mischa Elman, Zimbalist, Heifitz, Levitski, Morini. On the stage there are Belasco, Frohman, Gest, David Warfield, Schildkraut. In the film world there are Lasky, Zukor, Goldwin. In the field of art who has not heard of Jo Davidson, Henry Mosher, or Jules Brotenksy.

"In medicine there is the noted Dr. Simon Flexner, there is Dr. Koller who discovered the use of cocaine in surgery; there is Dr. Harry Plotz who isolated the typhus germ.

"In journalism what name shines brighter than that of Adolph Ochs who placed the New York Times in the forefront of American dailies. Among jurists there are Justice Brandeis and Louis Marshall in the pulpit there is Rabbi Stephen Wise, in the field of labor there is Samuel Gompers; in business there is Julius Rosenwald, Felix Warburg, and Nathan Straus.
