

ROUMANIAN PROFESSORS CONDEMN ANTI-SEMITIC AGITATION AMONG STUDENTS

Resolution Sets Mark of Cain on Professor Cuza, Creator of Anti-Semitic Movement in Roumania. (Jewish Telegraphic Agency)

Bucharest, Nov. 7.—Condemnation of the anti-Semitic agitation carried on by Professor Cuza for many years, leading to anti-Jewish disturbances and culminating in the latest outbreak of the Fascist murder of the Roumanian Chief of Police of Jassy, was embodied in a resolution adopted today at a meeting of the professors of the University of Jassy.

The professors' meeting was called for the purpose of considering the situation created in Roumania owing to the anti-Semitic agitation carried on by the Fascist students organization which was responsible for the murder. Professor Cuza, the leader of this movement, was present and was asked to explain his relations with the anti-Semitic student bodies.

The resolution adopted by the professors states that "the murder of Jassy which stains the name of the Roumanian people is the result of Professor Cuza's agitation who, instead of implanting National feeling in Roumanian youth, cultivated hatred and violence among them." The resolution also expresses regret that Professor Cuza shows no penitence for this crime.

The text of the resolution was telegraphed to the Minister of Education.

The Jewish Telegraphic Agency correspondent learns from reliable sources that not one Jewish student was admitted to the University of Jassy this year, owing to the anti-Semitic disturbances among the students, which has thus enforced the Numerus Clausus with terror and blood.

Kemal Pasha, who is responsible for the abolishment of the caliphate and the exile of the caliph, invited Sidi Ahmed to become caliph. Ahmed, however, refused at that time.

CONFERENCE FOR UNDERSTANDING BE- TWEEN JEWS AND CHRISTIANS CALLED IN LONDON

Church of England, Congregationalists, Presbyterians, Quakers and Unitarians to Participate—Will Strive to Minimize Differences on Ground of Common Belief in God. (Jewish Telegraphic Agency)

London, Nov. 7.—Christian and Jewish organizations, churches and synagogues, will participate in a unique Christian and Jewish Educational Conference which will be opened here on November 27 at the Liberal Synagogue under the leadership of Claude Montefiore, English scholar and philanthropist, for the purpose of discussing the possibility of an understanding between Christianity and Judaism on the grounds of common belief.

The initiative for this Conference was taken by the Social Service Committee of the Liberal Synagogue. They hope to bring about a closer relationship between religious Jews and Christians. While they do not desire to ignore the fundamental difference between Judaism and Christianity, they strive, at least, to minimize the differences separating Christianity and Judaism and they believe in a possible approach to the subject on the grounds of common belief in God, which is fundamentally in both religions, it was declared today.

The religious bodies and organizations who have already agreed to participate in this Conference include the Church of England, Congregationalists, Wesleyans, Presbyterians, the Quakers and Unitarians. Claude Montefiore will speak on the subject, "Jews and Christians". Other topics which will be discussed at the conference are "Education of the Young in Social Responsibility"; "School and Home"; "Dynamic Force of the Belief in God"; "The Responsibility of Organized Religion".

LITHUANIAN GOVERNMENT PROCEEDS AGAINST JEWISH CREDIT INSTITUTIONS

(Jewish Telegraphic Agency)

Kowno, Nov. 7.—The Lithuanian Government has refused to recognize as public institutions the 83 credit banks, known as Volks Banks, established in the post-war period in Lithuania, with the assistance of the American Jewish Joint Distribution Committee.

The banks are established on co-operative principles, and their purpose is to help the artisans and small businessmen with short-term credits at a low rate of interest.

The economic structure of Lithuanian Jews depends upon the existence of these banks. The Government, in refusing to recognize them as public institutions, imposes heavy taxes upon them, which will jeopardize their existence.

REGISTRATION OF ALIENS URGED BY SECRETARY DAVIS

Philadelphia, Nov. 6.—Registration of all immigrants immediately upon arrival in this country under the United States Bureau of Naturalization was advocated today by James J. Davis, Secretary of Labor, in an address before the local Chamber of Commerce Americanization Committee.

Pointing out that of 14,000,000 aliens in this country, 8,000,000 are not citizens, the Secretary suggested that enrollment for a preparatory course in citizenship could be defrayed by the immigrants themselves paying a \$10 fee to cover instruction in the English language and American history. The Secretary urged passage of a law by Congress making compulsory the enrollment of every foreign-born person in the country.

HENRY MORGENTHAU'S RESIGNATION DUE TO EMBEZZLEMENT OF KAUFMAN, MEMBER OF GREEK REFUGEE COM- MISSION, CHICAGO "TRIBUNE" ALLEGES

Henry Morgenthau, in His Statement, Declares
Report Is Tissue of Lies.

(Jewish Telegraphic Agency)

New York, Nov. 7.—The resignation of Henry Morgenthau, formerly United States Minister to Turkey, as head of the Greek Refugee Settlement Commission, which administered the affairs of the Greek refugees under the League of Nations, was ascribed in a cable from Vienna to the Chicago "Tribune" yesterday to the severe criticism of the Greek press against Mr. Morgenthau, the head of the Commission, owing to the fact that one of its members, a certain Mr. Kaufman, embezzled Greek refugee funds.

The report of the Chicago "Tribune" further claims that the embezzlement had been established.

"The statements of the Chicago 'Tribune' concerning my resignation as being due to the activities of a certain Mr. Kaufman who, as alleged, embezzled funds of the League of Nations Greek Refugee Settlement Commission, is nothing but a tissue of lies". Henry Morgenthau declared to a representative of the Jewish Telegraphic Agency.

"Kaufman is a Russian who had nothing to do with the work of the League's Greek Refugee Settlement Commission. He never handled a red cent of the Refugee Fund. In fact, I never met him. The money Kaufman used was probably the funds of the Italian order, Knights of Malta, which had nothing to do with the Commission of which I was the head and from which I have resigned. My resignation cannot be ascribed in any way to the activities of any one. I resigned in September. I am not aware of any criticism on the part of the Greek press other than favorable to the Commission", Mr. Morgenthau stated.

"I have finished my job successfully. I have accomplished my two purposes: I have obtained financial support from the government to the extent of £10,000,000 and I have organized the work of re-colonization of Greek refugees. It is now the task of younger men to take care of the administration work. My three associates, Mr. John Campbell of Great Britain and two Greeks, are still working. No one has been appointed as my successor.

"The task which the Greek Refugee Settlement Commission had to accomplish was one of the largest undertakings of its kind in the history of the world. It concerned the fate of 1,200,000 Greeks who were driven out of Turkey as a result of the Turkish-Greek War. They had to be re-established in their own country," Mr. Morgenthau concluded.

Praises the "Ort"

Dr. K. Fornberg devotes a long article in the Day of Nov. 3 to the "Ort", on occasion of its drive for \$1,000,000 which begins on Nov. 9.

"It is truly marvelous", he says, "to see with what courage the leaders of Jewry in the East European countries have accepted the news of the liquidation of the J. D. C. The cessation of American relief activities has not deprived them of their self-confidence and faith in their own powers. With something not unlike heroism they have decided to resume the work themselves.

"They have already proven their wisdom, practicality and initiative by creating the 'Ort'—an organization with a very broad program, not only for relief, but, above all, for creative reconstructive work. There is no other organization in Jewry today that can equal the 'Ort' for the soundness of its principles, the constructiveness and all-inclusiveness of its aims. All the activities of the 'Ort' are pivoted around the word WORK.

"The 'Ort' has undertaken to teach the growing generation useful, productive trades. The 'Ort' helps and guides Jewish artisans and craftsmen, giving them on credit tools and machinery with which to work. The 'Ort' extends help to Jewish farmers and endeavors to increase the Jewish farming class. The 'Ort' aims to give constructive cooperation and help to the largest possible number at the smallest possible expense.

"Considering all these splendid activities we must wonder indeed that the 'Ort' has asked us, the Jews of America, for only \$1,000,000 in the drive which starts Nov. 9.

"One million dollars—what a paltry sum for such a purpose when we remember that we raised in the past decade some 60 million dollars for temporary relief, for charity that brought no constructive lasting results to the Jews of Europe.

"The entire work of the 'Ort' is in the capable hands of Dr. Bramson who has made his organization truly impartial in every sense of the word by surrounding himself with men taken from every class and stratum of Jewish life in America and elsewhere.

"Dr. Bramson has achieved a unique moral success for the European Jews. But, unfortunately, it is still true that moral success is not sufficient. 'Hard cash' is needed to make the work of the 'Ort' a real success. It is our opinion that American Jewry is now about to go through another test of its idealism and high-mindedness.

"The period of 'relief' is over. A new period of help through work, help through reconstruction, has begun. If any of the idealism that made the 'relief' work a success still survives in the hearts of the American Jews they must quickly make up their modest quota of one million dollars for the 'Ort'."

Criticizes Louis Marshall

The Jewish World of Cleveland returning again to the subject of Mr. Marshall's opposition to La Follette says (Nov. 3):

"For years Mr. Marshall has been trying to teach the Jewish citizens to keep Jewish issues out of politics. In the last campaign, however, Mr. Marshall himself dragged a Jewish issue into politics by attacking La Follette for introducing the Hungarian petition in the Senate—an incident which has long ago been explained satisfactorily by La Follette."

"But this is encouraging. We are glad Mr. Marshall acted as he did. Apparently it is permissible to emphasize Jewish issues."

JEW BLAMED FOR PREVENTING POLISH MONARCHY

Jewish Friends Dissuaded Former Polish President, Pilsudsky, From Proclaiming Himself King, Is Charge.

(Jewish Daily Bulletin Mail Service)

Warsaw, Oct. 22.—Joseph Pilsudsky, formerly leader of the Polish Socialist Party (P. S. P.) and the first Chief of State of the resurrected Polish Republic, had an opportunity of proclaiming himself King of Poland in 1918 when he stood before the Polish Constitution Assembly, according to the paper, "Pro Patria", the organ of the Polish monarchists.

The paper, after making an historical survey of the dynasties formed in the last few centuries, reaches the conclusion that it would not be an anachronism were Pilsudsky to proclaim himself king of Poland and renew the Polish Monarchistic tradition.

The only ones who are responsible for the non-occurrence of this possibility are the Jews.

Pilsudsky could have done it, but he hesitated and it was due to the influence of his Jewish friends, who advised against it, that he went "along the wrong way, missing the propitious moment—*ad usum Judae*."

"Why did Kazymir The Great admit the Jews into Poland and give them privileges, so that 600 years later they should prevent the resurrection of the throne? This is how historical blunders are averaged", the Polish liberal paper, "Kurjer Polski" comments.

JEWISH STUDENT ACQUITTED ON CHARGE OF PERFORMING MOCK BAPTISM OVER CORPSE DURING DISSECTION

(Jewish Daily Bulletin Mail Service)

Budapest, Oct. 23.—Geza Hoffman, a Jewish student of the University of Fuenikirchen, against whom it was alleged by several of his fellow-students that he had insulted a corpse during a dissection at the University by performing a mock baptism ceremony over it, has been acquitted today by the Disciplinary Court of the University Senate. The evidence showed that there was no ground for the charge against Hoffman. The mock baptism had been carried out by a non-Jewish porter employed at the University who had brought the corpse into the dissection room, and who has since been dismissed.

MURDERS HEJJAS COMMITTED IN HUNGARY TO BE INVESTIGATED BY SUPREME COURT

(Jewish Daily Bulletin Mail Service)

Budapest, Oct. 22.—An unexpected turn has been given to the libel action brought against M. Geza Feleky, the editor of the daily newspaper "A Vilag", by the anti-Semitic Deputy Pekar, on his appeal to the Supreme Court against the sentence of fourteen days' imprisonment imposed on him a few months ago.

M. Feleky's counsel, the Democratic Deputy Rudolph Ruppert, said that the defence was one of justification and in order to prove that it would be necessary to go into the facts of the acts of terror committed by the troops of Commandant Ivan Hejjas during the counter-revolutionary period. Deputy Ruppert declared that if an investigation would be ordered, he could prove that Ivan Hejjas had fifty-three murders on his conscience.

OUR FOREIGN NEWS LETTER

The "Arian" Bank Swindle

(By Our Vienna Correspondent)

Vienna, Oct. 12.—Under the slogan "Christian capital must be freed from the hegemony of the Jews" there were established in Austria after the war a chain of banks exclusively for "Arian" business. The inefficiency and corruption which went into the creation of these banks and into their management was disclosed recently through the bankruptcy of the anti-Semitic Deutsche Bodenkbank and the so-called "official" Merchants' Bank.

Now we learn of the failure, under even more scandalous circumstances, of the anti-Semitic, Arian North-Austrian Bank. The scandal is so outrageous that the government has decided to investigate the matter. After announcing their insolvency the officials of the bank were afraid to show their faces before the depositors and creditors. The police actually had to drag them out of their beds, one by one, after which they were hauled into court and put to a rigorous cross-examination.

This bank was organized by a Swede, Niels Hugo Lenquist, who created a board of directors composed of clerical, anti-Semitic Austrians. Through publicity and advertising which cost a fortune an attempt was made to acquire a large number of depositors. But after some time it appeared that the number of depositors was much insufficient compared to the expenses under which the bank was laboring. From reports made now it is seen that the bank's assets are less than 10 million marks, as against 25 million in liabilities.

It is now made known that the anti-Semitic board of directors of this Arian bank, in their corruption and inexperience, financed various unprofitable businesses which resulted in great losses to the bank.

Having noticed some time ago that they were headed for ruin the directors of the bank decided to sell their business to the "Overseas Banking Co.", an English firm. In this connection it is interesting to note that the Christian-social government conspired with the officials of the bank, for when the Englishmen requested Dr. Grimm, Finance Minister, for information regarding the North-Austrian bank, he gave them a favorable report, and it was on his advice and good faith that the Englishmen bought up the majority of the bank's stock. In making the transaction the honest Arian board of directors guaranteed that the bank's operations could be conducted within the minimum limits of the original capital invested.

Before long the Englishmen discovered the true state of affairs and demanded the 300 million which they had given as deposit, but they could get no satisfaction from the board of directors which was composed entirely of members of the "Arian Association". Of course the Englishmen are now taking action against the "honest" Arians.

But in the meantime the depositors cannot get their money. Among those who suffered heavily through the bank's collapse are members of the Austrian aristocracy, leaders of the clerical, anti-Semitic element and a number of prominent monarchists.

This is the way Christian capital is being freed from "the hegemony of the Jews"!

LITHUANIAN PREMIER CALLED TO TESTIFY AT DR. ROSENBAUM'S TRIAL

(Jewish Daily Bulletin Mail Service)

Kowno, Oct. 22.—The trial of Dr. S. Rosenbaum, former Minister of Jewish Affairs, and President of the Jewish National Council of Lithuania, was opened here today, the charge being that Dr. Rosenbaum had without authority made use of the title of Provisional Minister of Jewish Affairs.

Dr. Rosenbaum, giving evidence, declared that he considered that he had a right to use the title "Provisional Minister of Jewish Affairs" because the President of the Republic had not accepted his resignation when he had tendered it to him.

The court decided to call the Prime Minister, M. Tumanas, to give evidence, and the trial was accordingly adjourned.

Dr. S. Rosenbaum left today for Palestine where he is settling permanently. A group of representatives of the Jewish population accompanied him to the frontier. The previous evening he was the guest of honor at a farewell banquet arranged by the officials of the Jewish National Council and the Jewish Central Bank. Dr. Rosenbaum, speaking at the banquet, declared that he was going to Palestine not to rest but to start work in a new field of activity.

Advocates Deputies Finklestein and Dr. Robison are acting in his absence for Dr. Rosenbaum in regard to the trial now pending against him.

BREVITIES

Dr. Shalom Spiegel and Dr. Eliezer Rieger, leaders of the Dr. Chabot, Ha'omer, Ha'air and other Jewish youth organizations in Palestine, arrived in the United States. They will endeavor to interest American Jewish youth in Palestine activities.

Only \$350,000 remains to be raised in order to wipe out the \$1,250,000 deficit in this year's budget of the Federation for the Support of Jewish Philanthropic Societies, according to the announcement made by Felix M. Warburg, at the fourth rally of campaigners held yesterday afternoon at the Hotel Pennsylvania.

The rally developed into an ovation for four of the largest department store owners in New York, Horace A. Saks, Samuel J. Bloomingdale, Percy S. Straus, and Bernard F. Gimbel, who have been instrumental in organizing the largest number of trade groups in the Business Men's Council, which is conducting this charity drive for the Federation. These four leaders have organized 43 trade groups, culminating in the cooperative effort of the 137 trades of the Business Men's Council to launch the campaign. The quota for the large group organized by Mr. Straus, Mr. Gimbel, Mr. Saks and Mr. Bloomingdale equals \$171,500. This does not include the \$60,000 quota of the department store group in which these men are also interested.

Members of the Women's Division of the Federation acted as hostesses at the tea which followed the rally. Among these were: Mrs. Arthur Lehman, Mrs. Cyrus Sulzberger, Mrs. Simon Frankel, Mrs. Sidney C. Berg, Mrs. Isaac Rubin, Mrs. Carl A. Loeb, Mrs. Solomon Lowenstein, Mrs. H. N. Vinberg.

A series of lectures on "Judaism and Primitive Christianity" will be given November 17 to 20, and November 24 to 26 at two o'clock at the Jewish Institute of Religion by Professor F. J. Foakes Jackson, Professor of Christian Institutions at the Union Theological Seminary, New York. The lectures deal with the history of the early relationships of Judaism and Christianity.

LAY CORNERSTONE OF NORWOOD SYNAGOGUE

Norwood, Nov. 3.—The Norwood congregation laid the corner stone for their new synagogue yesterday afternoon. There was a considerable attendance from the congregations of the other churches of the town.

Rev. David M. Shohet, rabbi of the Fowler Street Synagogue in Boston, and Rabbi J. A. Bankovitz officiated, and Rev. Charles Hastings Brown, pastor of Grace Episcopal Church also took part in the exercises. Among those prominent in civic affairs who participated were Hon. Frank G. Allen and Hon. Elihu D. Stone. Abraham Alpert delivered an address.

The new building which is to be the synagogue, will stand at 933 Washington Street, almost directly opposite the plant of the Norwood Press. This will be the first synagogue in the history of the town, and it is the result of 17 years of labor since the local congregation was first granted a State charter. Some 24 years ago the first Jewish family came to this town, in the persons of Mr. and Mrs. Benjamin Cushing, who now reside at 893 Washington Street. Since that date the little group has been constantly increasing and a Jewish Women's Club and a Hebrew School are now numbered among the activities.
