Twelve Jewish immigrants were detained at the port of Halifax by the Canadian Government, inspectors because they were discovered to be in possession of false permits. All of them are expected to be deported back to Europe.

The Jewish Immigrant Aid Society of Canada which is the only institution authorized to secure a certain number of permits for Jewish immigrants from Europe each year is requesting all Jewish emigration societies in Europe to warn Jewish emigrants against dealing with unauthorized persons since they are all in danger of being detained on arrival at the Canadian ports and of being deported back to Europe.

The New England Zionist region, through its President, Hon. Elihu D. Stone, Assistant United States Attorney, and Executive Secretary, Mendel N. Fisher, sent the following message of condolence to President Coolidge: "We mourn with you the loss you have sustained. Col. Coolidge represented the finest spirit and personified the old New England characteristics of tolerance, faith and simplicity. May God console you in this hour of your bereavement. Head of Greek Orthodox Church in Roumania Attacks "Foreigners"  
(Jewish Telegraphic Agency)

Bucharest, Mar. 23.—A defense of the attitude of the Roumanian anti-Semitic students in demanding the numerus clausus against Jewish students was made by Patriarch Miron Christea, head of the Greek Orthodox Church in Roumania, in an address he delivered here yesterday.

The Patriarch protested against what he termed "the deforestation of Bukowina and Transylvania by foreigners."

"When our students demand a numerus clausus, complaints are raised abroad that we persecute the minorities. The fact is that in several places we are unable to have Roumanian officials and there is now a numerus clausus against Roumanians. I, as the spiritual father of the fourteen million Roumanians, demand that justice be restored and that all our contracts with aliens be revised."

Mr. Marshall, who is honorary chairman of the drive, accompanied his gift with a letter in which he gave a description of the misery now suffered by the Jews in European countries and urged the Jews of the city to give unstinted support in service and money to the effort that is being made in this city to raise New York's quota of the fund. If the Jews of Europe perish, Mr. Marshall declared, the blame will rest on American Jewry.

Mr. Baerwald, who is senior member of Lazard Freres, is treasurer of the New York drive.
