Twelve Jewish immigrants were detained at the port of Halifax by the Canadian Government inspectors because they were discovered to be in possession of false permits. All of them are expected to be deported back to Europe.

The Jewish Immigrant Aid Society of Canada which is the only institution authorized to secure a certain number of permits for Jewish immigrants from Europe each year is requesting all Jewish emigration societies in Europe to warn Jewish emigrants against dealing with unauthorized persons since they are all in danger of being detained on arrival at the Canadian ports and of being deported back to Europe.

The New England Zionist region, through its President, Hon. Elihu D. Stone, Assistant United States Attorney, and Executive Secretary, Mendel N.
