## ZIONIST OPPOSITIONAL CONFERENCE IN WASHINGTON DOES NOT SEEK SECESSION, STATEMENT SAYS

Judge Julian Mack, Prof. Felix Frankfurter and Dr. Harry Friedenwald Among Conveners; Hadassah Will Not Participate

The Zionist opposition conference, convened for Sunday, April 29, at the Hamilton Hotel, Washington, D.C., has for its purpose the reorganization of the Zionist Organization of America, according to further information contained in statements made public yesterday by Jacob de Haas.

About one hundred Zionists from thirty-four cities, mainly in the eastern states, have signed the call to the conference. Among the conveners are Judge Julian W. Mack, Prof. Felix Frankfurter and Dr. Harry Friedenwald of Baltimore, who took a leading part in the adminis-

tration of the Zionist Organization of America prior to the Cleveland conference in 1921; Samuel J. Rosensohn, former chairman of the Finance Committee, and Lawrence Berenson, former member of the administrative committee who resigned from their offices upon the arrival of Dr. Weizmann in this country.

The list also includes the names of M. A. Zeldin, former director of the New York United Palestine Appeal; Israel Goldberg, formerly in charge of the publicity department of the Zionist Organization of America, who attacked the Lipkay administration at the Atlantic City convention in 1927; A. H. Fromenson, Abraham Tulin, who was a member of the political commission at the Basle Congress and, with Dr. Wise, differed with Dr. Weizmann on the appointment of a permanent political committee to aid

## PLUMER TRANSJORDANIA'S HIGH COMMISSIONER, BUT RETAINS PALESTINE POST

(Jewish Telegraphic Agency)

London, April 25. — Field Marshal Lord Herbert C. Plumer, High Commissioner of Palestine, has been appointed High Commissioner of Transjordan, an official announcement in the London Gazette today states.

Transjordan is a part of the British mandated territory and the appointment of Lord Plumer to the High Commissionership follows immediately upon the agreement concluded between Great Britain and Emir Abdullah, which granted the territory a measure of independence with certain reservations. Lord Plumer will retain his position as High Commissioner of Palestine, administering the two countries.

## ROBINSON, MEMBER OF OZET EXECUTIVE, ARRESTED JUST BEFORE LEAVING FOR BUREYA

(Jewish Telegraphic Agency)

Moscow, April 25. — M. Robinson, member of the executive committee of the Ozet, society for settling Jews on the land, which is sponsoring the Bureya colonization project, was arrested yesterday by the Soviet authorities.

Robinson's arrest caused considerable surprise in Moscow Jewish circles as it was effected one day before his scheduled departure for Bureya as a member of a special commission to supervise the inauguration of the settlement work. Prof. Bruck and Merzhin are the other members of the commission. Mr. Robinson was substituted by A. Raschkes, a Communist. The commission has departed for Bureya.

## TWO GERMAN JUDGES ON TRIAL FOR PART IN FRAMING CASE AGAINST JEWISH MERCHANT

(Jewish Telegraphic Agency)

Berlin, April 25. — The trial of Landgerichtsrat Koelling and Landgerichtsdirektor Hoffmann, who played a prominent part in the so-called German Dreyfus case, involving the Magdeburg Jewish merchant, Rudolf Haas, began today when disciplinary proceedings were brought against them. The trial will last six days.

Koelling and Hoffman are charged with initiating a press campaign against Haas and aiding in the "frame-up" against him, which resulted in his arrest on the charge that he had murdered his Christian bookkeeper, Helling.

Haas was released after spending many months in prison, when Schraeder confessed that he had murdered Helling and that he had been persuaded to throw the charge on Haas. At the outset of the proceedings Koelling and Hoffmann attempted to re-

## FELIX WARBURG SUBSCRIBES \$1,000,000 TOWARD COLONIZATION FUND FOR RUSSIA

His Subscription Is Largest Single Contribution Ever Made in New York for Jewish Relief and Reconstruction in Europe

Felix M. Warburg, New York banker and philanthropist, has subscribed \$1,000,000 for the development of Jewish farm settlements in Southern Russia, it was announced by James N. Rosenberg, Chairman of the American Jewish Joint Agricultural Corporation.

"Mr. Warburg's contribution is a magnificent response to the recent \$5,000,000 subscription by Mr. Julius Rosenwald, of Chicago, for the promotion of Jewish agriculture in Russia," declared Mr. Rosenberg. "Mr. Rosenwald's gift was conditional upon another \$5,000,000 being collected in this country. Mr. Warburg immediately responded, setting a new standard for the Jewish community of this city. His \$1,000,000 subscription is the largest single contribution ever made by a New York citizen for Jewish relief and reconstruction in Europe." Mr. Warburg's subscription, like that of Mr. Rosenwald, is conditioned upon the full \$10,000,000 being subscribed.

Mr. Rosenberg pointed out that the subscriptions of Mr. Warburg and Mr. Rosenwald are toward a new and independent society now being organized for land settlement in Russia, and are not to be confused with the activities of the Joint Distribution Committee. The present program of the latter Committee in

Eastern Europe, Palestine and Russia requires the urgent collection of all the outstanding pledges made to the United Jewish Campaign.

"Between now and October 1, 1928," declared Mr. Rosenberg, "the Joint Distribution Committee requires substantial sums for the existing farm colonies in Russia, and the medical, trade school and loan activities there. Dr. Rosen, the Director of the Agro-Joint, has already made a most urgent plea to the Joint Distribution Committee for additional funds to take care of the flood of Jewish refugees from the towns who this spring have swarmed to the colonies, without formality of registration, and who must be provided for."

Mr. Warburg personally visited the new Jewish colonies in Russia last year. He returned an enthusiastic believer in the land settlement work conducted in the Ukraine and the Crimea by the Agro-Joint, under the direction of Dr. Joseph A. Rosen.

In confirming the announcement, Mr. Warburg declared to the "New York Times" representative that "it was not his intention to divert interest from the plan of the World Zionist Organization to establish a Jewish national home in Palestine."

# DR. LEO MOTZKIN CHOSEN TO DIRECT ACTIVITIES OF JEWISH RIGHTS COUNCIL

(Jewish Telegraphic Agency)

Berlin, April 25.—Dr. Leo Motzkin, formerly chairman and secretary of the Committee of Jewish Delegations in Paris, was chosen to head the work of the Council on Jewish Rights, created at the Zurich conference last summer on the initiative of the American Jewish Congress.

This decision was taken at a session of the European members of the Executive Committee of the Council, presided over by Deputy Isaac Gruenbaum of Warsaw. This arrangement is to continue until the next plenary session.

This decision has called forth surprise in the circles of the American Jewish Congress. Mr. Bernard G. Richards stated that it was the intention of the Congress to concentrate the work of the Council in Geneva, where Mr. Z. Abersohn is in charge. The Berlin meeting, he stated, was held "rather unexpectedly and without sufficient notice to the American members."

It was stated that the relations between the Geneva bureau of the Council and the office of the Committee of Jewish Delegations in Paris, where Dr. Motzkin is in charge, were not harmonious in recent months. Much duplication in connection with the work of presenting reports on the situation of the Jewish minorities to the League of Nations, resulted from this friction.

# MRS. ARCHIBALD SILVERMAN RESIGNS HER POST AS VICE- PRESIDENT OF HADASSAH

Asserts That the Organization has Violated Its Trust

Mrs. Archibald Silverman, a vice-president of the Hadassah, Women's Zionist Organization, yesterday announced her resignation from that office. Her step followed a meeting on Sunday of the National Board of Hadassah which adopted a resolution of "no confidence" in the present Zionist Administration and made other decisions which Mrs. Silverman characterized as a "violation" of Hadassah's purpose.

Mrs. Silverman, who has been identified with the Zionist movement in America for twenty-two years, said in her letter of resignation, which was addressed to Mrs. Irma Lindheim, president of Hadassah: "I am compelled by the course which events have taken in the Hadassah Organization to tender my resignation as a vice president of the organization."

"I am convinced that the action recently taken at the meeting of the National Board on April 22, which had been gradually prepared through the efforts of Hadassah leaders, is in distinct and conscious violation of the purpose for which Hadassah has been organized and the trust which has been reposed in this organization by the Zionists in America."

"I believe that in addition to their unconstitutionality these acts have been conceived and carried out in a spirit of such bitterness and such personal animosity as to introduce into Zionist ranks a spirit of rancor and hatred unbecoming to Jews and to Zionists, and is inconsistent with an organization which has appealed to the country on grounds of womanly interest in the social welfare problems of Palestine."

# 'Bulletin' in Denver Fails as Memorial to Dr. Spivak

(Jewish Daily Bulletin)

Denver, Colo., Apr. 25.—A movement for increasing Jewish education facilities in Denver was started at the annual meeting of the Central Jewish Council, which was attended by about 100 representatives of all the Jewish agencies in the city.

It was decided to make a survey of the local situation.

The Council decided to place the "Jewish Daily Bulletin" in the Public Library here, as a memorial to the late Dr. C. D. Spivak. M. H. Spigleman is president of the organization.

It appears that Dr. Motzkin strives to continue the work of the Committee of Jewish Delegations in Paris, notwithstanding the decision of the Zurich conference to concentrate the work in Geneva.

# LATIN CHARACTERS FOR YIDDISH REJECTED BY CHARKOFF CONFERENCE

Communist Organ Fears Loss of Influence on Jewish Masses

(Jewish Telegraphic Agency)

Moscow, Apr. 25.—A recommendation that Yiddish should be printed and written in Latin characters was rejected by the All-Soviet Jewish Cultural Congress held recently in Charkoff.

The Yiddish Communist organ "Emes" published an article warning against dangerous experimenting with Yiddish orthography on the ground that it made it more difficult to win new readers. It was necessary, the article pointed out, to have uniformity. Decisions should not be made by the authorities on language and the writers, but by the teachers, the cultural workers, and the readers themselves. The best rationalization of Yiddish orthography, it said, would be to replace the present Hebrew alphabet with Latin characters, which would practically solve all the problems of Yiddish orthography, but under present conditions, such a reform would be followed by very lamentable results. "All our influence on Yiddish cultural life would be at an end because the Yiddish language in Latin characters would lose its mass of readers," the paper stated.

The substitution of Latin characters for Hebrew has been suggested in regard to the Hebrew language as well as Yiddish. Recently Itamar Ben Avri, the editor of the "Doar Hayom," issued several Hebrew books printed in Latin characters.

# L.O.B.B. DISTRICT LODGE ENDS ITS CONVENTION IN HOUSTON

(Jewish Daily Bulletin)

Houston, Texas, April 25.—With the election of Charles Jacobson of Little Rock, Ark., as incoming president and the choosing of Mobile, Ala. for the 1929 convention, the fifty-fifth annual session of the Grand Lodge of District No. 7, Independent Order B'nai B'rith, closed here Tuesday afternoon.

Appropriations voted from the B'nai B'rith permanent philanthropic fund included \$10,000 to the B'nai B'rith Home at Memphis, \$20,000 to the Jewish Children's Home, New Orleans, \$8,000 to the Leo N. Levi Memorial Hospital, Hot Springs, \$7,000 to the Touro Infirmary, New Orleans and numerous minor donations.

Judge Henry J. Dannenbaum of Houston, was toastmaster of the closing banquet.

Edmond J. Benberger, personnel manager of the Sany Company of America, Philadelphia, died Tuesday night. Well known in Philadelphia, he had been connected with the Stanley Company for some years. Mr. Benberger was a member of a prominent Philadelphia family and was connected with the Mercantile Club and other organizations.

## CODREANU, ROUMANIAN ANTI-SEMITIC, ARRESTED FOR ATTEMPTED MURDER

(Jewish Telegraphic Agency)

Bucharest, April 11. — Advocate Corneli Codreanu, who was acquitted of the Murder of Manciu, the Police Prefect of Jassy whom he shot because he had taken measures for the protection of the Jews, has been arrested for attacking and almost killing Engineer Beszan, one of the leaders of the Jassy anti-Semites, supporter of Professor Cuza against the claims of Codreanu.

Beszan recently made a gift of a site for the building of a Cuzist Students' House in Jassy, and Professor Cuza accepted the Presidency of the Building Committee. Codreanu, who was formerly Professor Cuza's right-hand man, came into conflict with Beszan over this matter. Yesterday a group of students entered the building which is now in course of erection and attempted to remove some of the building material. Beszan stopped them. The students complained to Codreanu, who accompanied them to Beszan's home, where they threw themselves on Beszan with cudgels and other weapons and beat him, leaving him for dead. On recovering, Beszan made a written statement declaring that his assailants had intended to kill him. They had attempted to throw him out of a second floor window.

Professor Cuza was the first to report the assault to the police. After a long search Codreanu and his accomplices were arrested.

The press, in reporting the incident, complains of the action of the jury in acquitting Codreanu when he was on trial for the murder of Prefect Manciu, enabling him to employ his liberty for further acts of violence and demands that he should now be severely punished to show others that violence will not be suffered with impunity.

## IOWA COMPLETES PLANS FOR UNITED JEWISH CAMPAIGN

(Jewish Daily Bulletin)

Des Moines, Ia., April 25.—Organization of the Iowa United Jewish Campaign was completed here recently at an all-State conference at the Hotel Fort Des Moines. David A. Brown, national chairman of the United Jewish Campaign, addressed the session. Governor John Hammill greeted the conference.

Reports presented showed \$60,000 has been pledged in Iowa since the spring of 1926; and to date something over \$52,000 has been collected in cash.

A quota of \$55,000 for this year's campaign in Iowa was adopted. Des Moines will conduct its campaign the first week in May, it was announced. Dave Davidson of Sioux City announced that city will conduct its campaign during the early part of May.

Morris Mandelbaum of Des Moines was elected State chairman.

### Jewish Center Idea Takes Root in San Francisco

(By our San Francisco correspondent)

San Francisco, April 21.—The Jewish Center idea is taking root fast in the San Francisco Jewish community.

Not only have the past few months seen a crystalizing of intensive plans for the organization of an adequate Jewish Community Center and the erection of a suitable building to house it, but the center policy, with its opportunity for Jewish intellectual, cultural and recreational activity, is being adopted by more of the local Jewish congregations.

In fact, there has been manifested by San Francisco religious congregations an increasing desire to make of the synagogue more than a place of worship and to regard it as a gathering place for the members of all ages seeking to come together for their cultural and social benefit.

This idea, of course, has been carried out for years in the large Eastern cities but in the West the idea has been slow to take root and those congregations which have carried on cultural and social activities in conjunction with religious services have been hampered by lack of physical equipment.

Congregation Emanu-El was the first to provide its members with a spacious and properly equipped temple house, adjoining the synagogue, in which to carry on its intellectual and recreational work. Now comes San Francisco's second largest congregation—Sherith Israel—with elaborate plans to do the same.

For years Congregation Sherith Israel, under the guidance of Rabbi Jacob Nieto, has fostered intellectual and recreational activities for its members but now there is a desire to expand this field of endeavor and definite plans are under way to provide a temple house for this purpose.

It is planned to erect a three-story building at a cost of approximately \$100,000. A committee consisting of Harry K. Wolff, H. Sieroty and I. N. Eisenberg already has presented an architect's sketch of the proposed new building which will adjoin the temple.

Congregation Beth Israel, of which Rabbi Elliott M. Burnstein is leader, also is considering plans for a temple house.

With this activity under way, plans are progressing favorably for the erection of a Jewish Community Center which has been a long felt want with the local community.

Developments in the past few weeks have brought the center movement

## MIZRACHI TO HOLD WORLD CONFERENCE; BUDGET HAS GROWN, LEADERS DECLARE

(Jewish Telegraphic Agency)

Jerusalem, April 25.—A world conference of the Mizrahi will be held within the next few months. The place of the conference has not yet been decided. This announcement was made by Rabbi Berlin and Rabbi Fishman, leaders of the Mizrahi Organization and members of the recent Mizrahi delegation to America, at a press conference held here.

Rabbi Fishman spoke on the question of the Jewish Agency and the position of Zionism abroad. There is a wide field for Mizrahi activities everywhere, he said. A Mizrahi Organization has been established in Canada. Considerable interest is being shown by world Jewry in "Knesseth Israel" (the Jewish Communal Organization in Palestine).

Replying to a question, Rabbi Fishman emphatically denied the reports that Chief Rabbi Kook is favoring the separatist movement. Chief Rabbi Kook, he said, had never called upon anybody to leave the "Knesseth Israel," although he opposed women's franchise, provided for in the Constitution of the Knesseth.

Rabbi Meyer Berlin said that the special "Mizrahi Palestine Fund" became necessary after the Basle Congress cut the budget of the Mizrahi to a large extent. The Fund is not intended to compete with other Zionist Funds, but the leaders of the United Palestine Appeal in America were, nevertheless, afraid that the Mizrahi Fund would harm their campaign. They therefore made an agreement with the heads of the Mizrahi in the United States before the arrival of the delegation there, for the inclusion of the Mizrahi Fund within the United Palestine Campaign. By virtue of this agreement, the Mizrahi obtains ten per cent of the United Palestine Campaign's funds. No separate Mizrahi drive is being conducted.

Meanwhile the Mizrahi budget has increased. The special Mizrahi expenses on education amount to \$8,000 this year. The expenses in other branches of the Mizrahi's work have also increased. The Mizrahi is likewise bearing part of the expenses of the "Hapoel Hamizrachi" colonization on the land of Sheikh Abrek, in the Valley of Jezreel. The Yeshiva "Naziv" at Neve Jacob and the Agricultural Yeshiva will be opened in accordance with the decisions which have been adopted. The "Olim Bonim" Co-operative Building Society is doing good work and enjoys the confidence of the public at large. All these activities require large funds, for which a special drive will be launched in Europe next summer. The Mizrahi Fund campaign in Palestine is already proceeding satisfactorily.

Rabbi Berlin stated that the Mizrahi Bank is developing well.

## ZIONIST OPPOSITIONAL CONFERENCE DOES NOT STRIKE FOR SECESSION

the Zionist leader in his negotiations with the mandatory power; Johann Smertenko of the League of Zionist Revisionists; Robert Szold, Julius I. Peryer of Washington, Jacob de Haas, Julius Meyer of Boston, Michael Salit and Rabbi Norman Salit.

The name of Dr. Stephen S. Wise does not appear among the conveners.

No officer of the Hadassah, Women's Zionist Organization, whose national board passed a resolution of "no confidence" in the present administration at a meeting held last Sunday has signed the call and, as far as could be ascertained, no officer of the Hadassah will participate in the proceedings of the conference.

That the Washington conference will not aim at secession from the Zionist organization of America and that it is no attempt "to re-open old controversies" is the assurance given in a statement issued by Mr. de Haas in behalf of the conference committee. The statement read:

"Certain statements which have appeared in the public prints have apparent, by belittling the purpose and objective of the Conference to be held in Washington on April 25th. It should therefore be made clear that:

"1. This is not a 'secession' movement. Those participating are Zionists, devoted to the movement and interested in the organization, who far from seceding, seek a change in Z.O.A. administration and policies, and are determined to make their views known.

"2. This call signed by individuals representing many viewpoints and widely scattered is evidence that this conference is not actuated by personal motives but responds to a situation recognized in many parts of the country.

"3. This is a conference of American Zionists who wish to deal with the administrative methods and the policies pursued by and through the Z. O. A. in Palestine and in the United States.

"4. This is not an attempt to reopen old controversies. Men and women who have differed in the past and who feel that the present American Zionist regime has failed of its high purpose have joined in this new effort in the hope that they can help in establishing an administration that will restore the enthusiasm and idealism of the cause, bring back its spiritual quality and achieve serious constructive results in Palestine.

"5. Our faith is in the tenacious determination of the Zionist community in this country to establish a leadership that does not seek personal advancement but is solely devoted to productive achievement in Palestine, and determined to create a rejuvenated, intelligent and active movement in this country."

much closer to materialization.

The idea first was broached some years ago by the Young Men's Hebrew Association which sponsored the plan with the help of certain influential individual leaders of the Jewish Community.

Committee meetings have been held at intervals, there has been talk of seeking the necessary funds, but the project, a big one for San Francisco's Jewish Community has lagged considerably. Now comes the Federation of Jewish Charities of San Francisco, rising to the need of a community center, and initiating plans for getting the project under way.

In fact, the federation seems to have taken the lead in a rejuvenation of the movement. Its president, Sylvain Kaufman, has been authorized to call a meeting of representative Jewish leaders to consider the whole center problem, to devise ways and means of obtaining the needed funds, and to launch an intensive effort to make the much-talked-of and long-anticipated center a reality.

This meeting, it is expected, will be held in the near future. In the interim, the federation officers are working in harmonious co-operation with the original center committee of the Y. M. H. A. consisting of Harold Zellerbach, chairman; Mrs. M. S. Koshland, Mrs. Leon Sloss, Jr., Lloyd W. Dinkelspiel and Louis H. Blumenthal.

It is believed that with the added force of the federation behind the project definite steps toward the desired end will be taken and much is expected of the meeting that now promises to take place within the coming fortnight or so.

Leading men and women of the San Francisco Jewish community are planning a farewell to Dr. Samuel C. Kohs, social service superintendent of the Eureka Benevolent Society who leaves here the end of May to become executive director of the Brooklyn Federation of Jewish Charities.

The resignation of Dr. Kohs, who has served virtually as directing head of all social service for the Federation of Jewish Charities, came as a surprise to the local Jewish community. To date, no successor has been appointed and while names are being mentioned, no selection has been made.

Dr. Kohs came to San Francisco from Oakland, where he was head of social service for the Federation of Charities of that city. He came here as successor to I. Irving Lipsitch, who resigned to accept a similar post in Los Angeles.

## COMMUNIST PARTY ISSUES BOOK AGAINST ANTI-SEMITISM

(Jewish Telegraphic Agency)

Moscow, April 25.—Articles by prominent leaders of the Soviet Government, decrying the existence of anti-Semitism in Soviet Russia, will be published in a special book against the tendency, by a decision of the Central Committee of the Communist party. The book will also contain statistical data about the situation of the Jews in Russia.

Another book, entitled "Against Anti-Semitism," by Sgorov, was issued today by the Government publishing house. This book reviews the history of the anti-Semitic movement in Russia and describes the present situation of the Jewish population. It also contains statistics concerning the number of Jews working in Soviet institutions and a review of the Jewish colonization work in Russia.

The Mayor commissioned Glicenstein to make a bust of him.
