MAXIMUM PENALTIES TO 32 ARAB ASSAILANTS GIVEN BY HAIFA DISTRICT COURT

12 Arabs, Motza Murderers, Face Death Penalty

(Jewish Telegraphic Agency)

Jerusalem, Sept. 30—Twelve Arabs charged with the murder of the Makleff family at Motza will face trial under the article of the Palestine law imposing the death penalty. The indictment was upheld by the magistrate before whom the prisoners were first brought.

Following a three-day trial in the District Court of Haifa, 32 Arabs of the village Tيره were sentenced to five years imprisonment each and 5 Arabs to two years each, for having assembled for the purpose of attacking Beth Galim, a Jewish suburb of Haifa, on August 26. The mob was dispersed by an aeroplane, the military taking fifty prisoners, all of whom were armed with clubs. The air force as well as the military had orders to shoot at the crowd marching on Haifa on that day.

The prison superintendent, Matson, was the first to sight the crowd on August 26. He went by motorcycle to warn the police, whereupon a special train carrying the military was sent, and an aeroplane carrying Judge Litt as an observer. He ordered the action.

Police Superintendent Foley testified that the condition in Haifa that day was very grave and had the mob penetrated into the town the situation

(Jewish Telegraphic Agency)

FORCE DOWN MOSLEM DIVINE. DEPLORING SAFED BLOODSHED

(Jewish Telegraphic Agency)

Jerusalem, Sept. 30—Anti-Jewish feeling prevailed in the Safed Mosque on Friday when an 83-year-old Moslem divine reproached the congregation for causing the bloodshed of their innocent neighbors and enjoining the worshippers to repent. A young Arab, a government official, it is reported, interrupted him, shouting: "You are interfering with the holy war." The aged Arab was finally obliged to leave the platform.

JEWISH PASSENGERS AGAIN THROWN FROM TRAINS IN ROUMANIA

New Excesses by Students Instigated by Cuza

(Jewish Telegraphic Agency)

Vienna, Sept. 30—New anti-Jewish excesses by Roumanian students, principally directed against Jewish passengers on the Roumanian railways are reported by the Hungarian Telegraphic Agency, particularly from the Galatz region.

Jewish passengers were molested and in the absence of adults, minors were attacked.

Bucharest, Sept. 30—The Roumanian government was sharply criticized by the "Adeverul" for its failure to take energetic measures to suppress the excesses, although it has undertaken the reins of government under the slogan of law and order.

The Ministry of the Interior announced that it will take strict measures to curb anti-Semitic excesses and that it will punish officials responsible for maintaining order for laxity in this matter. Six gendarmes, it was stated, were punished and others will be court-martialed for their failure to obey orders in preventing attacks on Jews by the members of the student congress.

The Union of Roumanian Jews urged those Jews who suffered in the recent excesses to immediately file claims for damages.

Czernowitz, Sept. 30—The newspapers here reproduce a despatch from the "Lupta," reporting that the Roumanian Ministry of War issued a circular ordering the dismissal of Jews from military offices.

ISRAEL BELKIND, ZIONIST PIONEER, DIES IN BERLIN

(Jewish Telegraphic Agency)

Berlin, Sept. 30—Israel Belkind, Russian Zionist leader and one of the early pioneers in Palestine, died here today in the hospital of the Jewish community. He was 69 years old.

The late Mr. Belkind was one of the founders of the Bilu group, the group of Russian Zionist student pioneers who settled in Palestine following the Russian pogroms of 1881. He was active in many Zionist enterprises, including the establishment of a colony for the orphans of the pogrom victims, wrote and spoke in many countries, propagating Zionism and the upbuilding of Palestine. His body will be taken to Palestine for burial.

HIGH COMMISSIONER ORDERS REFUGEES FROM JERUSALEM SUBURBS TO RETURN HOME

Hesitate for Lack of Safety; Rations Withdrawn

(Jewish Telegraphic Agency)

Jerusalem, Sept. 30—Jewish refugees from the Jerusalem suburbs and the Old City were ordered forthwith to return to their homes by Deputy Commissioner of Jerusalem Keith-Roach, acting on instructions from the High Commissioner, Sir John Chancellor. The refugees affected are from the suburbs Shiloach, Musrara, Damascus Gate, Givat Shaul, Nachlath Zion, Nachlath Achim, and the Old City.

The time has now come when refugees having homes to which to return should do so, the order stated. From October 1, refugees from these sections now sheltered in public buildings will not receive rations. However, many of the refugees are reluctant to act upon this order, claiming that it is impossible for them to return to the neighborhoods which are still unsafe.

Safed Sephardic Quarter Desolate

The Sephardic quarter of Safed is utterly desolate. The houses, unfit for re-occupation, have become hiding places of Arab ruffians who descend at nightfall to the deserted buildings, whence they snipe at the infrequent Jewish passersby.

Distribution of arms in the villages surrounding Safed still continues, according to a youth found with a revolver, who confessed that an effendi

THIRTY WOUNDED AT WARSAW MASS MEETING ON PALESTINE EVENTS

Question of Attitude Increases Agitation and Friction

(Jewish Telegraphic Agency)

Warsaw, Sept. 30—About 30 persons were wounded in a free-for-all fight which developed among Jewish workmen following a mass meeting held here Saturday night at the Skala Theatre under the auspices of the Right Poale Zion party.

The meeting was devoted to a discussion of Palestine events, but Bundists and Communists present caused a disturbance, necessitating the intervention of the police who removed those interfering with the proceedings. At the close of the meeting the fight was renewed. The victims were principally members of the Poale Zion Party including Abraham Prazan, Leib and Janina Malkin, Moses Altuski, Simcha Rosen and David Wenger.

The meeting adopted resolutions condemning the attitude of the Communists and the Bundists toward the Palestine events.

The Left Poale Zion party issued a

**MICHAELSON RALLIES AFTER
RELAPSE; NOT OUT OF DANGER**
(Jewish Daily Bulletin)

Chicago, Sept. 30—Prof. A. A. Michaelson, famous scientist, gave hope to attending physicians today that he was winning a fight for life against bronchial pneumonia, the high fever which caused a hurried consultation of physicians yesterday, having abated during the night. Attendants at the Presbyterian Hospital early today announced Prof. Michaelson's condition greatly improved and that he had spent a restful night.

Yesterday a consultation was called by Dr. Herman L. Krestchmer, attending physician, of Dr. James B. Herrick and Dr. Erneste Irons.

Prof. Michaelson entered the hospital four weeks ago for a minor operation. Bronchial pneumonia developed after another operation had been planned.

"Despite his grave condition, Prof. Michaelson is leaving it to his physicians to do the worrying," Dr. Krestchmer said. "His fighting spirit and will to surmount difficulties, so notably manifested in his scientific experiments, may win this critical battle for him."

**NEW YORK LEADS
IN EMERGENCY FUND**

New York State leads in contributions to the Palestine Emergency Fund, with a total of \$711,317, according to the announcement by David A. Brown, chairman. Of this New York City has given \$600,432. The rest is from 123 communities outside the city.

Philadelphia ranks second with a contribution of \$89,494, and Chicago is third with \$73,705. Other communities that have given large sums are Boston, \$51,224; Baltimore, \$40,725; Detroit, \$40,665; Newark, \$27,850; Cincinnati, \$17,067; Los Angeles, \$15,896; and Paterson, \$12,211. The total fund is now \$1,757,451.

**FIND BIDJAN SUITABLE
TERRITORY FOR JEWISH
LAND SETTLEMENT**

Head of American Commission Says
It Is Better Suited than Palestine
(Jewish Telegraphic Agency)

Moscow, Sept. 30—Prospective Jewish settlers may expect that Bira-Bidjan, the Far Eastern region where Jewish land settlement is being sponsored by the Ozet. society for Jewish land settlement, will be turned into a well-developed country. Prof. Harris, head of the American investigation commission which went to Bira-Bidjan, declared to the representative of the Jewish Telegraphic Agency on their return to Moscow today.

"The Commission is confident of the possibilities of Bidjan, which is a vast empire in the making, having great agricultural and industrial potential wealth," Prof. Harris stated. Admitting that there are great difficulties in the problems of drainage of the summer rains and road building, Prof. Harris declared that they can be overcome by diligent work plus modern technical methods.

Prof. Harris, who has visited Palestine, said that in his opinion Bidjan is better suited for colonization than Palestine. The commission found the local population cooperating with the Jewish settlers. They will sail for the United States next week.

**CANADIAN ZIONISTS ADD
\$100,000 GIFT TO J. N. F.**
(Jewish Telegraphic Agency)

Jerusalem, Sept. 30—The Jewish National Fund headquarters here is in receipt of an additional \$100,000 from the Canadian Zionist Federation. This sum was the fourth remittance of \$100,000 each received from the Canadian Zionists on their \$1,000,000 pledge. Although the remittance was not due until six months from now, it was expedited because of the recent events in the country.

**GIVES \$250,000 TO
BROOKLYN HOSPITAL**

Mr. and Mrs. Morris Goldberg of Seagate, Coney Island, have made an additional contribution of \$250,000 to the United Israel-Zion Hospital, Brooklyn.

The gift is a memorial to their daughter, Henrietta, who died in 1921 at the age of 9. A previous gift of \$50,000 in memory of their daughter made possible the erection of a fourth wing to the hospital. The new contribution is to perpetuate the wing known as the Henrietta S. Goldberg Pavilion.

The contribution was announced at a dinner Saturday night at the Half Moon Hotel in honor of Mr. and Mrs. Goldberg, attended by 500, including Borough President Byrne of Brooklyn.

Work has begun on the first of several new buildings to be erected at the Ex-Patient Tubercular Home, Denver, Colo. The building is being donated by Charles Robinson, Waco, Texas, as a memorial to his parents and sisters.
Max Bronstine was re-elected president at the last meeting of the association. Harry A. Stern was made vice-president; Morris Binstock, treasurer.

**LONDON PAPER SAYS U. S.
ZIONISTS AWAIT MacDONALD
STATEMENT ON ARRIVAL**

Avers if Statement Not Reassuring
Will Meet with Antagonism
(Jewish Telegraphic Agency)

London, Sept. 30—American Zionists have decided to demand from Ramsay MacDonald, upon his arrival in New York, a statement regarding Great Britain's policy towards Palestine, the "Evening Standard" says that it understands.

Commenting editorially, the paper states that "American Zionists are confident of persuading MacDonald to declare that the Mandate will be retained and that Jewish settlers in Palestine will continue to receive favorable consideration. Behind the hope of these expectations lies a menace. If MacDonald does not make up his mind in the desired sense, he is threatened with the same kind of reception in America as a British Premier would have received from the Irish population of New York in the days before the Irish settlement."

**MINISTER SAYS MANDATE
POLICY REAFFIRMED**
(Jewish Telegraphic Agency)

Brighton, Eng., Sept. 30—Herbert Morrison, Minister of Transport, in an address delivered this morning at the annual conference of the Labor Party here, declared:

"There has been bloodshed in Palestine. We express our profound sympathy with those who suffered and with the relatives of those who lost their lives.

"We re-affirm our policy with regard to the Palestine mandate and the obligation it carries towards the Jewish people, towards the Palestine inhabitants, whether Jew or Arab, and the League of Nations.

"We do not agree that there exists a diversion of interests between the Jewish and Arab working population in Palestine. There is room for both and understanding cooperation between both races is essential for the peaceful development of the country. The just claims and grievances of both communities must be met," he declared.

Labor organizations in America and the Zionist Federation of Jewish Labor cabled messages to the conference concerning the Palestine events.

**KING FUAD DISCUSSES
PALESTINE WITH RABBI**
(Jewish Telegraphic Agency)

Cairo, Sept. 30—King Fuad received Rabbi Haim Nachum Effendi, Chief Rabbi of Egypt, on Tuesday evening, and discussed the Palestine situation with him for fifty minutes. The king showed much interest and sympathy in the question.

The Chief Rabbi received this week many letters from Egyptian sheiks and high government officials expressing their sympathy with the Jews in Palestine.

**LOUIS LIPSKY REPLIES TO
DAVID A. BROWN ON CHARGES
AGAINST RABBI WISE**
**Declares It May Harm Cause of Unity;
Brown Issues Reply**

Taking issue with David A. Brown, Chairman of the Palestine Emergency Fund, for remarks of aspersion cast upon Dr. Stephen S. Wise by Mr. Brown in a statement to the newspapers of Sunday, Louis Lipsky, President of the Zionist Organization of America, in a statement before a special meeting of the Administrative Committee of the Zionist Organization held all day Sunday at the Hotel Astor, characterized as "baseless and uncalled for and hurtful to the cause of unity" the charge made by Mr. Brown that Dr. Wise had broken the united Jewish front.

Mr. Lipsky's statement was as follows:

"It is to be regretted that David A. Brown should have made the statement attributed to him in the press on Sunday morning. Had he known the facts he would not have spoken as he did and raised the question of a united front at this time. He could easily have ascertained the facts from Felix M. Warburg, who knows the source of the proposal for the calling of an all-Jewish American conference for Palestine. It was at the invitation of Dr. Chaim Weizmann, President of the Jewish Agency, that Dr. Wise, forgetful of past differences, placed himself in the service of the Zionist Administration, promising to further the calling of such a conference. This conference was not to be an independent effort, but was to emanate from the Jewish Agency, of whose Administrative Committee Mr. Warburg is Chairman. Approval of the calling of this conference, leaving the date open, was given by the National Executive Committee of the Zionist Organization and by the Executive Committee of the American Jewish Congress.

"When the American Jewish Congress received a reply from Mr. Warburg suggesting that a conference at this time would be premature, the American Jewish Congress agreed to abide by his decision. The insinuations of Mr. Brown regarding Dr. Wise are therefore baseless and uncalled for, and, I am afraid, may be hurtful to the cause of unity which Mr. Brown thinks he is serving."

David A. Brown, who is in Detroit on business, authorized his New York office, by telephone yesterday, to issue the following statement:

"I am very happy to learn that the American Jewish Congress has decided to abandon its plan to call an All-Jewish Conference regarding the recent occurrences in Palestine and to abide by Mr. Felix M. Warburg's decision that the calling of such a conference at this time would be premature."

Mr. Brown, in his statement published in the metropolitan press on Sunday attacking Dr. Wise, said in part:

**Cleveland Jewish Center Case to Be
Appealed to Supreme Court**
By Our Cleveland Correspondent

Cleveland, Sept. 30.—Abraham A. Katz, who headed the committee of the Orthodox members of the Jewish Center here, which waged the legal fight for the restoration of the Orthodox ritual in the Center, is expected to appeal to the Supreme Court against the ruling of the Court of Appeals, dismissing the suit as a strictly ecclesiastical question. The attorneys for the Orthodox committee hold that the present court decision is a reversal of another Court of Appeals decision that the case was not subject to dismissal on a demurrer that had brought a previous dismissal of the suit in the county court.

Rabbi Solomon Goldman, who was instrumental in changing the ritual from Orthodox to Conservative at the Center, recently resigned to head a synagogue in Chicago. He was succeeded by Dr. Harry S. Davidowitz, formerly of New York City. Dr. Davidowitz is a graduate of the Jewish Theological Seminary.

The opinion written by Appellate Judge John J. Sullivan, unanimously affirmed by his two associates, read:

"The prayer for this court to adopt a rule by which the congregation in question shall abandon its present administration and conform to the doctrine of traditional orthodox and Judaism, even if this legal tribunal had the right to interfere in religious matters for which provision has been made as to the control within the church itself, is incapable of being granted for the reason that every member of the congregation of the church might have a different view as to what this doctrine is in all its various phases and it would be impossible to lay down a rule, with these conflicting opinions, which a board of trustees could follow, because in order to do so, the religion would have to be as definite as a science and even with respect to science it would be impossible to do so because of the diverging opinions that exist among scientific men upon scientific principles."

The suit, which had been previously dismissed by the Cuyahoga County Common Pleas Court, was aimed principally at Rabbi Solomon Goldman, head of the Anshe Emeth Beth Tephilo Congregation, which has been a consolidation of two congregations since January 1, 1917. Among other of the 24 defendants were the trustees of the Center.

Following the consolidation, according to the minority group's claim, the congregation was operated as strictly Orthodox for about six years. Then, with the installation of Rabbi Goldman and the building of the present Jewish Center, it was claimed, hostility has been shown to Orthodox Judaism and all the ritual and ceremonial observance pertaining to it. Thirty-eight al-

**BRITISH COMMISSION OF
INQUIRY AGAIN POSTPONES
DEPARTURE FOR PALESTINE**

**Decides to Admit Counsel for Both
Sides and Permit Cross-Examination**
(Jewish Telegraphic Agency)

London, Sept. 30.—The British Parliamentary Commission of Inquiry, which was scheduled to sail for Palestine on October 3, has again postponed the date of its departure probably until about the middle of October.

An announcement issued by the Colonial Office stated that the postponement was decided upon in order that all parties who are principally concerned in the inquiry into the causes of the recent Palestine outbreaks may have ample time to adequately arrange the presentation of their interests to the Commission.

At a meeting held at the Colonial Office Sunday the Commission decided, the Jewish Telegraphic Agency correspondent learns, to permit the parties concerned to be represented by counsel at the sessions of the Commission. The counsel will also be permitted to cross-examine witnesses in the usual way. No further meetings of the Commission will be held before its departure.

**SETTLE DISPUTE WITH
ROUMANIAN ACADEMY**
(Jewish Telegraphic Agency)

Vienna, Sept. 30.—The dispute between the Sephardic community of Vienna and the Roumanian Academy of Science over the legacy of the late Jewish millionaire philanthropist, Elias, was settled out of court.

The Academy agreed to pay to the Vienna community the amount of 60,000 schilling outside of the costs of the trial.

Elias had left a large sum with the Academy as trustee for a foundation, the proceeds of which were to go to the Sephardic community. The will was filed before the war, but due to the deflation of the currency, the sums which the Academy was willing to pay, on the currency specified in the will, was negligible.

**HEBREW DAILY PUBLISHES
ENGLISH SUPPLEMENT**
(Jewish Telegraphic Agency)

Jerusalem, Sept. 30.—The first English supplement of the "Davar," Hebrew labor daily, appeared today. In declaring the reason for this innovation the paper says that the Hebrew press of Palestine is using a medium which is not yet the language of daily use in the world, but having a message for British, international and Arab opinion, the "Davar" is instituting the English supplement.

Mr. and Mrs. Joseph B. Levie of Denver, Colo., have established an endowment fund to be used for the perpetual maintenance of the Marionbelle Levie Playfield at the Denver National Home for Jewish Children. They donated the playfield several months ago in memory of their daughter.

A kindergarten playroom has been dedicated at the home to the memory of David E. Harlen, Jr., in appreciation of efforts of his parents, Mr. and Mrs. D. E. Harlen, for the institution.

gave it to him. Despite lashes, he refused to divulge the giver's name.

Of all the neighbors, the warlike Druzes in the vicinity of Safed were friendliest to the Jews. During the disturbances they saved a number of Jewish fugitives and now readily supply them with wood and other necessities.

Aeroplane Fires at Arab Mob, Disperses Boycott Propagandists

An aeroplane firing in the air Saturday afternoon dispersed an Arab mob outside the Government Offices in Jerusalem. The crowd gathered when Jawdi Al Habab was arraigned for conducting anti-Jewish boycott propaganda.

The crowd milled around the Government Offices and some surged inside the building before the police, assisted by the aeroplane, scattered them. Jawdi Al Habab was released.

The military detachment sent to the children's colony, Kfar Yeladim, after the recent Arab raid there which resulted in the death of a Jewish watchman, Shalom Elisha, was ordered to remain on guard at the colony until further notice.

The aeroplane carrier "Courageous" left Haifa waters today.

DEDICATE SYNAGOGUES AS HOLIDAYS APPROACH

(Jewish Daily Bulletin)

Washington, D. C., Sept. 30—Addresses by Senator William H. King, of Utah, and District Commissioner Sidney F. Taliaferro were a part of the dedication exercises of the new synagogue of the congregation and the Talmud Torah Bnai Israel. The building was purchased from the Iowa Avenue Methodist Episcopal Church.

Senator King eulogized the Jewish race for its achievements and for its successes in every place where its members have gone. He also spoke of the prominent part the Jewish people are playing in Washington and complimented the congregation on its acquisition of the new synagogue.

Wildwood, N. J., Sept. 30—The new Beth Judah Temple and the recreation building adjoining it were dedicated here with impressive ceremonies. Rabbi Adolph Burger presided.

Breaking of ground for the building occurred on March 3, with the cornerstone laying on June 23. Dr. H. H. Hornstine headed the committee in charge of the arrangements.

Trenton, N. J., Sept. 30—The Brothers of Israel Synagogue, the oldest Orthodox congregation in Trenton, announced that in the early spring, construction will begin on a new synagogue which will cost more than \$250,000.

The building will be entirely of stone and will include, in addition to the synagogue a Hebrew school and a rabbinical home. The latter two will be separate buildings immediately adjacent to the principal structure.

leged violations of doctrine and ceremony were claimed. These, for the purposes of the suit, were admitted by the Conservative group.

Slurs were permitted against Orthodox traditions, it was said, and the congregation was advised to read "The Mind in the Making" by Dr. James Harvey Robinson, an anti-Orthodox publication.

The Court's opinion held that the only remedy for these conditions was in the congregation itself.

"It is unquestionably true that the purposes of the plaintiffs in error are of high character and their devotion to what they believe to be their religious rights is very commendable," the Court observed. "Their respect for the ancient faith of their fathers is worthy of highest praise. But while all these things are true, yet the judgments of the church, through its regularly ordained ecclesiastical body, is the remedy which they themselves have provided and which undoubtedly they are bound to follow."

LOUIS LIPSKY REPLIES TO DAVID A. BROWN ON CHARGES AGAINST RABBI WISE

(Continued from Page 3)

"The expectation of the civilized world with regard to how the Jewish people shall conduct themselves in these trying times is predicated on the fact that very shortly before the incidents occurred which have so pained the Jewish hearts and so shocked all humanity, there was, after years of deliberation and negotiation, finally established an authoritative body, the Jewish Agency, with a mandate from the Jewish people to deal with them and for them and to deal with the British Government, with all the governments within the League of Nations and with the whole world in all matters relating to Palestine.

"And, as a matter of fact, it seemed for a considerable period that the greatly desired and necessary Jewish unity had been established. The Jewish outcry against the outrages in Palestine was shared in equally by those who have never been able to accept the political phase of the Jewish development of that land. They, as well as the most ardent Zionists, joined in a protest that was as potent as it was dignified.

"It is greatly to be deplored, therefore, that this united front has been broken—broken by one who loudly proclaimed that he had been summoned to Paris and asked for his help by the president of the Jewish Agency, who is also president of the World Zionist Organization. Just why, in the face of these utterances, just why, after joining his voice with the leaders of American Zionism, he should now choose to propose calling an 'all-Jewish conference' to do something or other regarding Palestine is a mystery which can be solved by only the chosen few who can follow his mind. That, I confess, is something more than I can do."

would have become more dangerous.

The presiding judge paid tribute to the air force officer and to Matson, who risked his life in leaving the prison to warn the police of the approaching danger. All Haifa, including the prisoners themselves, owe gratitude to these officers of Haifa for being saved from sustaining a greater loss to life and property, the prisoners for not having to face a charge involving the death penalty, the judge declared.

All but five of the Arabs, young men, were given the maximum punishment as an example to others who might be similarly tempted.

Fifty troops surrounded the court house while the verdict was being pronounced. An armored car was stationed at the exit of the courthouse, where an enormous Arab crowd broke into a terrible wall when the prisoners were marched out in chains.

Three Arabs were sentenced to prison terms on charge of blackmail. Gante, the leader, was sentenced to six months and his accessories to the crime to four months each. They were found guilty of having extorted money from a number of Arab families in Mejdel, by threatening letters signed, "Black Hand."

One of the letters was sent to a police officer, who placed marked money where the writers of the letter had directed and captured them when they came to collect.

proclamation concerning the death of Jacob Markewicz, one of its members who died of wounds received in a fight with Communists at a Palestine meeting several weeks ago. In the proclamation the Communists were termed "the Red Friends of the Arab pogromists." During Markewicz's funeral new fights broke out.

Warsaw, Sept. 30—At a mass meeting held under the auspices of the Bund, Jewish socialist party, Sunday night, the Palestine events were discussed and a resolution unfavorable to the Jewish Palestine work was passed. The resolution rebuked in particular Sholom Ash, Yiddish novelist, for the stand he took on the Palestine question, declaring: "This meeting expresses its indignation and bitterness at the fact that Sholom Ash, whom the Jewish masses have made great, has at this grave moment put himself in the camp of the Jewish chauvinists."

The praesidium of the Jewish Writers and Journalists Association has called a special meeting to protest against the statements contained in the Bund resolution against Mr. Ash who is honorary president of the association.

The British Embassy here was surrounded with a cordon of mounted and foot police as a precautionary measure during the Zionist mass meeting held last night at the Circus Hall.
