AMERICAN SUPPORT FOR JEWISH PALESTINE: VICE-PRESIDENT OF UNITED STATES HEADS COMMITTEE SENDING OUT INVITATIONS FOR GATHERING OF SENATORS CONGRESSMEN AND HIGH GOVERNMENT OFFICIALS TO BE HELD THIS MONTH IN WASHINGTON: WILL BE ADDRESSED BY MR. EMANUEL NEUMAN AND PROFESSOR FELIX FRANKFURTER.

Washington, Jan. 2nd. (Jewish Telegraphic Agency).

The movement for establishing a Pro-Palestine Committee in the United States, initiated by Mr. Emanuel Neuman, the American member of the Zionist World Executive, in connection with which it was announced a few days ago (in the J.T.A. Bulletin of Dec. 24th.) that an important group of Senators and Congressmen is formulating a project which will be of the utmost significance to the rehabilitation of the Jewish National Home in Palestine, is carried a step further to-day by information obtained by the J.T.A. that Mr. Curtis, the Vice-President of the United States, who was the prime mover in bringing about the adoption in 1922 by the United States Senate of the resolution in favour of the establishment in Palestine of a National Home for the Jewish people, has invited Mr. Emanuel Neuman and Professor Felix Frankfurter, who was one of the representatives of the Zionist cause before the Peace Conference in Versailles in 1919, to address a select group of Senators, Congressmen and high Government officials on the question of Palestine and Zionism, at a gathering which is to be held in Washington during the present month.

Vice-President Curtis is at the head of a distinguished committee which is issuing the invitations for the gathering.

The Jewish press is today full of praise for the efforts made by Mr. Emanuel Neuman in Washington for several months past to bring about a better understanding of the Zionist aims among the most important legislators in the United States, and to enlist their support for the Jewish work in Palestine, which are now bearing fruit, indicating a renewal of interest in Palestine affairs on the part of official America.

LORD READING VISITS HEBREW UNIVERSITY BEFORE LEAVING PALESTINE FOR EGYPT: EX-KHEDIVE OF EGYPT ALSO VISITOR TO HEBREW UNIVERSITY AND TO COLONIES OF DILB AND MOTZA: LORD READING'S HELP ASKED BY STUDENTS TO ENABLE MORE JEWISH STUDENTS SUFFERING FROM ANTISEMITISM IN EUROPE TO COME TO PALESTINE TO STUDY AT HEBREW UNIVERSITY.

Jerusalem, Jan. 2nd. (Jewish Telegraphic Agency).

Lord and Lady Reading are spending the week-end at the Melchett Villa on the Sea of Galilee, before leaving Palestine on Monday for Egypt, together with Mr. Rutenberg.

4/1/32.

On Friday Lord Reading visited the Hebrew University, where the students presented to him a memorandum describing the desperate plight of the Jewish students in the Universities of Eastern Europe and elsewhere on account of antisemitic discrimination, and appealing to him to help to obtain greater facilities for a larger number of Jewish students to be allowed to come to Jerusalem to study at the Hebrew University.

The ex-Khedive of Egypt, the first Moslem potentate or ex-potentate to show such interest in the Jewish work in Palestine, has also visited the Hebrew University, expressing himself very much impressed by it. The ex-Khedive has also visited the Jewish colony of Dilb and the Jewish workers' sanatorium at Motza.

HITLERIST PRESS CHIEF IN GERMANY ANNOUNCES RELENTLESS WAR ON JEWS IN 1932: ALL JEWS WILL BE DEPRIVED OF CITIZENSHIP RIGHTS HE SAYS: BAPTISM MAKES NO DIFFERENCE FOR JEWISH SWINISHNESS LIES IN RACE.

Berlin, Jan. 2nd. (Jewish Telegraphic Agency).

The Hitlerist National Socialist Party will during 1932 pursue relentlessly its war upon the Jews, Hitler's press chief, Hermann Esser, declares in a New Year forecast which he publishes in the Hitlerist "Illustrierter Beobachter".

The National Socialist Party will withdraw citizenship rights from all Jews, he says, even if they are baptised, for baptism makes no difference to the Jewish swinishness, which is inherent in the Jewish race, and cannot be washed away by anything.

Americans will never have a Red Indian as Minister in the Government, or as Mayor of an American City, he asserts, although the Red Indians, even if they are cannibals, are a thousand times more sympathetic to us than the sons of the misbegotten Jewish race, which throughout the history of the world is always endeavouring to eat up all the other nations of the world.

POLAND'S HOROSCOPE FOR 1932 IS GOOD SAYS CHIEF POLISH ANTISEMITIC DAILY BECAUSE INTERNATIONAL JEWISH POWER IS BREAKING UP WITH FINANCIAL CRASH: COUNTRIES WHERE JEWS ARE POWERFUL ARE DECLINING AND HUMANITARIAN AND LIBERTARIAN IDEAS OF LAST CENTURY ARE DEAD.

Warsaw, Jan. 1st. (Jewish Telegraphic Agency).

Poland's horoscope for 1932 is a good one, the "Gazeta Warszawska", the chief organ of the antisemitic National Democratic Party, declares in a New Year's review today, because the stars foretell a collapse of international Jewish power, consequent on the crash of the international financial system, which has been the great mainstay of Jewry in the past. At the same time, it says, those countries in which Jews are most influential have begun to decline and with their decline the so-called humanitarian and libertarian ideas of the last century for which these countries have stood are dead or dying.

JEWS SHAMELESSLY REVEAL THEIR METHOD OF CIRCUMVENTING LAW BY PAYING CHRISTIANS TO PRETEND TO OWN SHOPS WHICH JEWS ARE NOT ALLOWED TO OPEN: OUTBURST BY CHRISTIAN DEMOCRATIC ORGAN IN UPPER SILESIA AGAINST JEWISH PROTEST TO GOVERNMENT THAT JEWISH TRADERS ARE REFUSED PERMITS FOR OPENING SHOPS IN PROVINCE.

Warsaw, Jan. 1st. (Jewish Telegraphic Agency).

This is a good example of Jewish effrontery and cynical shamelessness, "Polonia", the organ of the Christian Democratic Party in Upper Silesia, says in an outburst to-day against the memorandum submitted to the Ministry of the Interior by the Central Federation of Jewish Small Traders (given in the J.T.A. Bulletin of Dec. 30th.), complaining that the authorities in Upper Silesia are on the ground of old German laws refusing to issue permits to Jews to open shops, so that the Jews have to hire Christians, paying them 15 zlotys, to pretend to be the owners, because Christians readily receive such permits without any difficulty, and appealing to the Ministry to put a stop to this anti-Jewish discrimination. The Jews make no bones about revealing the methods by which they are circumventing our laws for their own ends, the paper says, showing how they are corrupting our Christian population by bribing them to act as their catspaws. The Jews have the impudence to complain to the Government of injustice, it says, and then in the same memorandum they convict themselves of deceit and swindling.

The Jewish demand to be allowed to trade freely in Upper Silesia is impossible, both on moral and on legal grounds, the paper proceeds, because in reality the Jews do not ask for equality but for privileges. If the Jews were allowed to trade freely in Upper Silesia they would soon make an end of the Christian shopkeepers and have the whole of our trade in their hands. It is true, the paper admits, that the law under which they are excluded dates back to the German rule in Upper Silesia, but it is indispensable to us in order to protect our own traders and shopkeepers from a Jewish invasion.

DEAD VILNA NATIONAL DEMOCRATIC STUDENT STILL BEING GLORIFIED:
BIG MEMORIAL SERVICE HELD IN GRODNO CHURCH DESPITE POLICE
PROHIBITION.

Warsaw, Jan. 1st. (Jewish Telegraphic Agency).

A big memorial service for Stanislaw Wacławski, the National Democratic student who was killed during the anti-Jewish rioting in Vilna University in November, has been held in Grodno, where anti-Jewish manifestations have occurred in the last few days, since large numbers of students have come to their homes there for the Christmas holidays.

The local authorities had prohibited the service, but it was held in defiance of the prohibition. The Church was crowded with worshippers, who listened to addresses glorifying the martyr who had been slain by the Jews, as the speakers described Wacławski.

ANTI-JEWISH UNIVERSITY EXCESSES IN POLAND WILL NOT RECUR
MINISTER OF EDUCATION DECLARES IN STATEMENT TO JEWISH
CLUB OF DEPUTIES: IF NEW AGITATION LEADS TO FRESH OUT-
BREAK IT WILL BE RUTHLESSLY SUPPRESSED WITH EVERY FORCE
AT OUR COMMAND: OUT OF 425 STUDENTS ARRESTED 100 INCLUD-
ING SEVERAL JEWS HANDED OVER TO PUBLIC PROSECUTOR TO BE
DEALT WITH: MANY STUDENTS EXPELLED AND INVESTIGATION
ORDERED AGAINST POLICE ACCUSED OF NEGLECT OF DUTY.

Warsaw, Jan. 2nd. (Jewish Telegraphic Agency).

Anti-Jewish excesses at the Universities will not recur, the Minister of Education, M. Jedrzejewitz, declares in a statement which he has just sent to the Club of Jewish Deputies in reply to the interpellation which it addressed to the Government in November (given in the J.T.A. Bulletin of November 9th.), complaining of the anti-Jewish University disturbances and demanding Government action to put a stop to them.

The responsible Minister, the University authorities and the school authorities emphatically condemn the deplorable anti-Jewish excesses, the Minister continues. Out of 425 University students and secondary school pupils who were arrested in connection with the excesses, he proceeds, a hundred have been turned over to the Public Prosecutor to be dealt with. There are several Jews among these, he adds. Other students who were arrested have been dealt with by disciplinary measures, the Minister says, and a large number of University students and secondary school pupils have been expelled.

An investigation has been ordered to enquire into the charges made against the police that some of them had failed to do their duty during the excesses, the Minister announces.

I declare, he concludes, that such deplorable and impermissible excesses will not recur, and if as a result of a new campaign of incitement there should be a fresh outbreak, it will be suppressed ruthlessly and with all the forces at our command.

AUSTRIAN AUTHORITIES ACT TO PUT DOWN ANTI-JEWISH BOYCOTT
AGITATION: TEST CASE TO OBTAIN COURT DECISION AGAINST "
BOYCOTTERS.

Vienna, Jan. 2nd. (Jewish Telegraphic Agency).

The Public Prosecutor has confiscated a large number of National Socialist proclamations calling for an anti-Jewish boycott in Austria, and has started proceedings against the persons responsible for their circulation. The action is in the nature of a test case, aiming to obtain a law court decision that incitement to boycott certain shops is a criminal offence.

HUNGARIAN ANTISEMITIC STUDENTS ORGANISATION DISCOVERED CIRCU-
LATING COMMUNIST PROCLAMATIONS UNDER NAME OF NON-EXISTENT
JEWISH STUDENT ORGANISATION TO WORK UP AGITATION AGAINST
ALLEGED JEWISH COMMUNISTS: INVESTIGATION OPENED BY PUBLIC
PROSECUTOR.

Budapest, Jan. 2nd. (Jewish Telegraphic Agency).

The Public Prosecutor has opened an investigation against an antisemitic student organisation which has been found forging Communist proclamations which have been circulated surreptitiously, to make it appear that a certain non-existent Jewish Communist student organisation whose name appears on them was responsible, so that it should be possible to work up an agitation against the alleged Jewish Communist students.

DISSENSION IN POLISH REVISIONISM: SOME REVISIONISTS SECEDING
SAYS POLISH ZIONIST FEDERATION AS PROTEST AGAINST BREAK
WITH POLISH ZIONIST FEDERATION AND WILL PARTICIPATE IN
COMING POLISH ZIONIST CONFERENCE.

Warsaw, Jan. 2nd. (Jewish Telegraphic Agency).

The Central Committee of the Zionist Federation of Poland informs the Jewish Telegraphic Agency here that a group of delegates at the Polish Revisionist Conference which has just been concluded here are dissatisfied with the decision of the conference that Revisionists should leave the Polish Zionist Federation and they are therefore seceding from the Polish Revisionist Organisation and will take part in the forthcoming Polish Zionist Conference.

SPAIN SHOULD PROMOTE SEPHARDIC UNION AS FRANCE PROMOTES
ALLIANCE ISRAELITE TO REUNITE SEPHARDIC INTERESTS WITH
SPAIN: STATEMENT BY SPANISH MINISTER OF EDUCATION.

Madrid, Jan. 1st. (Jewish Telegraphic Agency).

The Minister of Education, Don Fernando de los Rios, who has been on an official visit to Morocco, where he addressed the Sephardic Jews of Tetuan (as reported in the J.T.A. Bulletin of Dec. 30th. urging them to forget the past and expressing the regret of the Spanish Government for the injustice of the Jewish expulsion from Spain in 1492, and its hope that the Sephardic Jews would join in the common work of developing Spanish civilisation, publishes a statement now in the Spanish press in which he stresses the importance of reuniting the Sephardic Jews in Morocco with Spanish interests, declaring that these Jews are of immense value to Spanish financial and commercial interests in its Moroccan zone.

The Spanish Government should promote the Sephardic Alliance, the Minister says, in the same way in which the French Government is favouring the work of the Alliance Israelite Universelle, and in that way it should endeavour to bring the Moroccan Jews back into the sphere of Spanish culture.

There is a Sephardic World Union in existence which came into being at the first International Congress of Sephardic Jews opened in Vienna in August 1925 during the time of the Fourteenth Zionist Congress which was held there. 300 delegates were reported present from Morocco, Asia-Minor, Turkey, Palestine, Egypt and other countries, and Mr. Nahum Sokolov, now President of the Zionist World Organisation and the Jewish Agency, greeted the Congress in the name of the Zionist Organisation. Rabbi Uziel, of Palestine, who was one of the principal speakers, said that the aim of the Sephardic World Union was to renew the glorious traditions of Sephardic Jewry.

The Organisation has taken a considerable part in the Palestine activities and several prominent personages in Sephardic Communities in various countries are interested in its work. Dr. Alkalay, President of the Sephardic Community of Belgrade, urged about 1929 that Sephardim are better suited for colonisation work in Palestine than Ashkenazim and should therefore be given at least as much consideration in this regard. They are accustomed to hard work, he said, and their needs are few, and coming as they do, many of them, from Arabic centres, they are also better able to live together with the Arabs than are the Ashkenazim. We Sephardim, he added, number 1½ million souls, and we represent a considerable part of the Jewish people.
