JUDGE CARDOZA'S APPOINTMENT WILL BE RATIFIED UNANIMOUSLY BY UNITED STATES SENATE: EVERY SENATOR DEMOCRAT AND REPUBLICAN ISSUES STATEMENT PRAISING PRESIDENT HOOVER FOR APPOINTING JUDGE CARDOZA: YIDDISH PRESS SAYS PRESIDENT HOOVER HAS GIVEN BEST REPLY TO HITLERISTS POLISH ENDECKS AND CUZISTS: ALSO LESSON TO JEWISH YOUTH OF AMERICA THAT LOYALTY TO JUDAISM IS NO OBSTACLE TO HIGH ACHIEVEMENT.

New York, Feb. 16th. (Jewish Telegraphic Agency).

Judge Cardoza will take the oath on Monday as a Justice of the United States Supreme Court, it is learnt to-day.

It was never thought that there would be any difficulty about obtaining the ratification of the appointment in the Senate, but the unanimity of the Senate exceeds all expectation. Every Senator, Democrat or Republican, issued a statement to-day praising President Hoover for appointing Judge Cardoza to the vacancy, meaning that the appointment will be ratified unanimously by the Senate.

The entire American press praises President Hoover for the courage he has exhibited in appointing Judge Cardoza to the vacancy in spite of the political and racial obstacles that were in the way.

The Yiddish press in its editorials to-day writes that President Hoover has given the best reply possible to the German Nazis, the Polish National Democrats and the Roumanian Cuzists, as well as to those who are trying to import antisemitism into America.

Judge Cardoza's appointment, they add, is also a lesson to the Jewish youth of America that loyalty to Judaism is no obstacle to high achievement or to the attainment of high position.

MASSACRE OF ALL JEWS IN GERMANY BY HITLERIST GOVERNMENT WOULD NOT BE ILLEGAL BECAUSE IT WOULD BE LEGAL ACT OF LEGAL GOVERNMENT SAYS HITLERIST ORGAN: OBJECTS TO PRUSSIAN GOVERNMENT MUZZLING HITLERIST DEPUTY FOR SAYING IF FRENCH CROSS FRONTIER INTO GERMANY TO PUT DOWN HITLERIST GOVERNMENT "WE SHALL FORTHWITH MASSACRE ALL JEWS IN GERMANY": DEPUTY DID NOT THREATEN ANYTHING ILLEGAL IT CLAIMS.

Berlin, Feb. 16th. (Jewish Telegraphic Agency).

When Hitler has taken over the power, if the French should cross the frontier to march into Germany to put down the Hitlerist Government, we shall forthwith massacre all Jews in Germany, Deputy Boerger, one of the Hitlerist Deputies, declared at a Nazi meeting held in the big Fair building in Cologne.

The Prussian Government has in consequence prohibited Deputy Boerger from addressing any further public meetings in the State of Prussia.

The Hitlerist organ in Cologne, the "Westdeutscher Beobachter", complains that the Government had no right to muzzle Deputy Boerger, because he did not threaten anything illegal in his speech, for when there is a Hitlerist Government, it claims, killing Jews will be a legal action carried out by the orders of the legal Government of the country.

There are 50,000 unemployed Jews in Germany, the Central Union of German Citizens of Jewish Faith announces to-day, on the basis of a questionnaire which it issued to all the Jewish communities in the various towns and districts throughout Germany.

TWO ARABS COMMITTED FOR TRIAL FOR KILLING PALESTINE JEWISH BOY AND GIRL STAHL AND ZOHAR: CHARGE OF UNPREMEDITATED MURDER: THREE OTHERS ARRESTED WITH THEM DISCHARGED BY EXAMINING MAGISTRATE.

Jerusalem, Feb. 16th. (Jewish Telegraphic Agency).

Rashid Abu Sulman and Khani Abu Sulman, two of the Bedouins who were arrested last November in connection with the murder of the Jewish boy and girl, Stahl and Zohar, from Tel Aviv, who disappeared while on a walking tour, have been committed for trial on a charge of unpremeditated murder. Khani Abu Sulman is only 17 years of age.

The other three Bedouins arrested with them at the time have now been discharged by the Examining Magistrate.

Representatives of the German and Polish Consulates attended the hearings, which lasted all day Monday and Tuesday, the families of the victims being from Poland and Germany respectively. Dr. Bernard Joseph appeared at the hearing on behalf of the relatives.

According to one of the Palestine papers, five Bedouin camelteers coming from Jaffa met the couple walking on the seashore to the north of the River Yarkon; three of them attacked the couple, stabbing Stahl, and then all five violated the girl, Zohar, who never regained consciousness after the assault. The murderers buried the bodies separately. Stahl's skull was recovered from a hillock, and the girl's body was some distance away. The bodies were decomposed, but the clothes left no doubt of their identity.

NEW INQUISITION UNDER "HICP JEWS SUFFERING IN RUSSIA MORE CRUEL THAN SPANISH INQUISITION BIALIK WRITES IN LETTER TO JEWISH PRESS OF WORLD CALLING FOR VIGOROUS PROTEST MOVEMENT: DR. STEPHEN WISE ASKED BY BIALIK AND DIZENGOFF TO ARRANGE PROTEST MEETINGS IN AMERICA: SERIES OF PROTEST MEETINGS TO BE HELD IN PALESTINE.

Jerusalem, Feb. 16th. (Jewish Telegraphic Agency).

The new inquisition under which the Jews are suffering in Russia is more cruel than was the Inquisition in Spain, Dr. Ch. N. Bialik, the famous Hebrew poet who has just returned to Palestine after a tour of over eight months in Europe, declares in a letter which he has addressed to the Jewish press of the world, calling upon world Jewry to protest vigorously against the Russian inquisition.

Dr. Bialik and Mr. Mayer Dizengoff, the Mayor of Tel Aviv, have jointly appealed to Rabbi Dr. Stephen S. Wise, the Honorary President of the American Jewish Congress, to arrange protest meetings in America. A series of protest meetings will also be held in Palestine.

PASSOVER FOOD FOR RUSSIAN JEWRY: REPORTS OF SOVIET GOVERNMENT
PUTTING UP DIFFICULTIES DENIED BY PIAS DIRECTOR IN RIGA:
SOVIET GOVERNMENT MAKING IT MORE EASY FOR JEWS TO RECEIVE
PASSOVER PARCELS AND GIVING EVERY HELP IN WORK HE SAYS.

Riga, Feb. 17th. (Jewish Telegraphic Agency).

Reports are circulating here to the effect that Russia has decided not to admit Passover goods into the country for distribution among the Jewish population, and some of the reports go so far as to say that people who apply for Passover parcels addressed to them will be arrested. These reports, the aim of which is to try to stop Jews in Europe and America sending Passover parcels to Russia, are absolutely false, Mr. Benjamin, the Director in Riga of the Pias (Hebrew Immigrant Aid Society of America), declared to the Jewish Telegraphic Agency representative here to-day.

On the contrary, Mr. Benjamin said, the Soviet Government is making it more easy for Jews to receive their Passover parcels, and is giving every possible help in this work. The Pias, he declared, guarantees that all orders received up to April 1st., will be carried out so that the recipients will have their parcels in Russia in good time for Passover.

ANGLO-JEWRY'S PART IN PASSOVER RELIEF WORK IN RUSSIA AND POLAND.

London, Feb. 16th. (Jewish Telegraphic Agency).

36 tons of flour have been placed at the sole disposal of the Russian representative of the London Federation of Jewish Relief Organisations in connection with the arrangements which it recently concluded with the Russian authorities for the issue of Passover parcels to destitute Jews in Russia, according to a communication which the Federation has just received from the Government Department concerned. The flour will be issued in accordance with instructions received from London. Other articles of Passover food, such as sugar, tea, and oil, will also be issued in addition to the flour.

In view of the extreme distress now prevailing among the declassed Jews in Russia, the Federation states, 36 tons of flour will not meet even one-tenth of the applications which are being received, and funds are urgently required for further purchases of flour and other commodities. The Federation has therefore decided to launch immediately a Passover Relief Appeal, the funds of which will also be used to provide Passover relief for the destitute Jews in Poland.

HAPPY I HAVE FINALLY BEEN ABLE TO GET TO LONDON MR. EMANUEL
NEUMAN SAYS IN INTERVIEW WITH J.T.A.: COULD NOT LEAVE
AMERICA BEFORE AMERICAN PALESTINE COMMITTEE WAS FORMED:
AMERICAN JEWRY SUFFERED SEVERELY AND IS STILL STUNNED
BY BLOWS SUFFERED THROUGH CRISIS: HOWEVER OUR FRIENDS
ARE CARRYING ON AND WILL DO THEIR UTMOST TO MEET REQUIRE-
MENTS OF BUDGET.

London, Feb. 17th. (Jewish Telegraphic Agency).

I am happy that I have finally been able to get to London, Mr. Emanuel Neuman, the American member of the Executive of the Zionist World Organisation and the Jewish Agency, said in an interview with the Jewish Telegraphic Agency here to-day.

Though I have been kept in close touch with the situation here and in Palestine by letter and cable, he went on, such information and exchange of opinions is, of course, not comparable with personal contact and discussion. I felt I could not leave America before the American Palestine Committee was actually organised and the campaign for the Keren Hayesod and Keren Kayemeth actually under way.

American Jewry has, of course, suffered severely and is still stunned by the blows it has suffered through the crisis, Mr. Neuman declared. However, our friends are carrying on, and will do their utmost to meet the requirements of the budget. Mr. Sokolov has been warmly received by the Jewish public. His meetings everywhere are crowded. Mr. Nahum Goldman is making an excellent impression; he is not only a splendid orator but a winning and magnetic personality.

Judge Brandeis Taking As Deep And Keen Interest In Zionist And Palestinian Matters As Ever: Meeting In Washington Resulting In Formation Of American Palestine Committee Could Not Have Been As Impressive And Successful But For Judge Brandeis' Powerful Support And Co-operation: He Is Also Deeply Interested In Brodie Plan For Private Initiative And Middle-Class Settlement And Giving This Work Every Encouragement.

Justice Brandeis is taking as deep and keen an interest in all matters Zionist and Palestinian as ever. Indeed, in recent months he has been even more active than usual, though - as always - privately and modestly behind the scenes. The Dinner Meeting in Washington of January 17th., resulting in the formation of the American Palestine Committee could not have been as impressive and successful as it was but for the powerful and moral support, advice, and co-operation which Justice Brandeis gave me in my efforts through every stage of the affair. He is also deeply interested in Mr. Brodie's plan for private initiative and middle class settlement and is giving this work every possible encouragement.

The American Economic Information Bureau, established in accordance with Mr. Brodie's plan for Palestine, is already functioning, and we expect its personnel to be reinforced shortly by the arrival in America of an expert on Palestine in economic affairs. His name will be announced shortly. We are also prepared to establish an Economic Bureau in Palestine under competent guidance and supervision. The budget for these bureaus - on a modest scale to begin with - has been privately subscribed, I am happy to announce. With the two bureaus functioning this branch of Zionist activity will receive an added stimulus, particularly in the States, where there are many individuals and families with some means, who are anxious to find their way into Palestine. They are also developing there the Palestine Savings Groups, several of which have already been incorporated and are in full swing. I am firmly convinced that if these groups are multiplied they will provide a new and steady source of capital flow into Palestinian enterprises.

We Are Living In A World In Flux And Conditions Are Particularly Fluid In Political Sphere: With Proper Preparation We May Know How To Deal With Any Emergency That May Arise: But United Front Is Indispensable.

I have spent a day and a half here, Mr. Neuman said, conferring with my colleagues on various aspects of the present Zionist situation. The time may soon come when our Zionist faith and fortitude may be put to the test. "We are living in a world in flux, economically, politically, socially and in every other respect. Conditions are particularly fluid in the political sphere. It is a good sign that Zionist thought is not rigid but is alive and flexible. I have faith in the growing political awareness of our people and believe that with proper preparation we may know how to deal with any emergency that may arise. For this purpose a united front is indispensable.

Mr. Neuman further stated in the course of the interview that he has to-day received information from America that Vice-President Curtis and Senator Borah, Chairman of the Foreign Relations Committee, have accepted the Honorary chairmanship of the American Pro-Palestine Committee, and that a third Chairman will soon be appointed representing the Democratic Party. Mr. Neuman on this occasion paid special tribute to Dr. Stephen S. Wise, who was particularly helpful in securing Senator Borah's active co-operation in the work of the American Pro-Palestine Committee.

At the suggestion of Mr. Neuman, Mr. Leo Motzkin, Chairman of the Zionist General Council, has been invited to come to London in order to participate in the sessions of the Executive. Dr. Motzkin is expected to arrive in London tomorrow.

SOROCA MURDER RAISED IN HOUSE OF COMMONS: SIR JOHN SIMON REPORTS
NON-COMMITTAL INFORMATION RECEIVED FROM BRITISH MINISTER IN
BUCHAREST QUOTING COMMUNIQUE ISSUED BY ROUMANIAN MINISTER OF
DEFENCE: NO INFORMATION OF COMPLAINT TO LEAGUE OF NATIONS.

London, Feb. 17th. (Jewish Telegraphic Agency).

In the House of Commons to-day Colonel Josiah Wedgwood asked the Secretary of State for Foreign Affairs whether he had any information as to a shooting of Jews at Soroca on the Roumanian border, and as the Jews in Roumania constitute a minority population, for which we have a treaty liability, would he make enquiries as to what steps were being taken in the matter.

Sir John Simon replied that His Majesty's Minister at Bucharest had reported that the victims of the incident, five of whom were of the Jewish race, were crossing the River Dniester on a night of January in the direction of Soviet territory when they were challenged by a Roumanian frontier guard. On being challenged they did not stop, and the guards accordingly fired, killing four of the party on the spot and wounding two who subsequently died. A report of the incident published by the Roumanian Minister of Defence stated that all the victims were actually Communists and pointed out that as Communists crossing the River Dniester had been frequently well-armed, the guards had standing orders to fire immediately when persons challenged refused to stop. No information of any complaint in regard to the Minorities Treaty had been made to the League of Nations, and the facts reported would not require the Government to take action.

Mr. Wedgwood asked if the Minister in Bucharest was satisfied that this was the correct account of what happened.

Sir John Simon replied that he had given to the House quite faithfully the report made by the Minister and he would gladly inform him of any further developments. In reply to a further question, he said he was unable to state whether or not the deceased victims had in their possession passports duly visad by the Roumanian authorities.
