GLOOMY OUTLOOK FOR JEWS IN GERMANY: ELECTION CAMPAIGN VIEWED WITH APPREHENSION: FEAR OF HITLERIST TERRORISM: ZIONIST LEADERS FEEL FATE OF GERMAN JEWS UNDER HITLERIST REGIME WILL BE SHARED BY JEWS IN OTHER COUNTRIES WHICH WILL FOLLOW GERMAN EXAMPLE: NON-ZIONIST LEADERS PREFER NOT TO SAY ANYTHING ON SITUATION NOW.

Berlin, June 4th. (Jewish Telegraphic Agency).

Jewish leaders in Germany are gloomy about the situation, following the dissolution of Parliament, and the ordering of fresh elections, which it is feared will almost certainly bring the Hitlerists into power.

The Zionist leaders feel that if there is a Hitlerist regime, the fate of German Jewry will be shared by the Jews in a number of other countries, like Austria, which will probably follow the German example.

The non-Zionist leaders of German Jewry say that they prefer to make no statements on the situation now.

The coming election campaign is viewed with grave apprehension, particularly with the lifting of the ban on the Hitlerist storm troops, who are expected to start a campaign of election terrorism against their political opponents and against the Jews, repeating the Breslau outburst this week on a larger scale throughout the country.

WHAT HAPPENED IN BRESLAU: NOT A POGROM POLICE STATEMENT SAYS BUT ATTACK BY NAZIS ON PEOPLE OF LEFT: HUNT AGAINST JEWISH-LOOKING PEOPLE AND REPUBLICANS. SAYS SOCIALIST ORGAN: PROMINENT BRESLAU JEWS TELL J.T.A. IN STREET TUMULTS OF SUCH NATURE IT WAS NOT EASY TO SEE HOW FAR THEY WERE ANTISEMITIC.

Berlin, June 4th. (Jewish Telegraphic Agency).

The police authorities of Breslau have issued a communique minimising the disturbances in Breslau and denying that they were in the nature of a pogrom, describing them instead as attacks made by Nazis on people belonging to the Parties of the Left.

The Socialist organ "Vorwaerts" in reporting the Breslau events states that the Nazis organised a hunt against their opponents. People of Jewish appearance and people wearing Republican symbols were knocked down. A crowd of Nazis demonstrated outside the offices of the Republican Reichsbanner organisation, shouting "Slaves of the Jews!", "Traitors to the workers!", "Murderers!".

Prominent Jews in Breslau, to whom the Jewish Telegraphic Agency here telephoned, stated that they were not in a position to make any statement on the events. In street tumults of such a nature, they said, it was not easy to see how far they were of an antisemitic character.

ANTI-JEWISH BOYCOTT AND TERRORISM IN GERMAN PROVINCES.

Berlin, June 4th. (Jewish Telegraphic Agency).

Jews dare not show themselves in the streets in many of the towns in the northern provinces, because of Nazi terrorism, it is reported here to-day from Schleswig-Holstein.

There is a fierce anti-Jewish boycott in progress there, the report says, and Jews are being subjected increasingly to physical maltreatment. Jewish houses and shops are being attacked.

Similar reports are arriving in Berlin from the southern Provinces, where the Nazis are conducting an anti-Jewish boycott campaign.

The Jews in the big cities can have no idea how antisemitism hits us Jews in the small provincial places, the reports say.

WHEN A NATION IS ANGRY ATTACKS ON JEWISH MARXISTS ARE LIKELY AND NEED NOT CREATE A STIR SAYS HITLERIST LEADER DEPUTY STRASSER.

Berlin, June 4th. (Jewish Telegraphic Agency).

When a nation is angry it must be understood that attacks on Jewish Marxists may happen sometimes, and it should not create any stir, Deputy Gregor Strasser, one of the leaders of the Hitlerist Party, said speaking to-day in the election campaign now in progress in Mecklenburg.

JEWS NEED HAVE NO FEAR UNDER PRESENT GERMAN GOVERNMENT:

REASSURING STATEMENT TO J.T.A. BY GOVERNMENT CIRCLES:

HAS NO ANTISEMITIC TENDENCIES AND WILL NOT ENCOURAGE ANTI-SEMITISM.

Paris, June 4th. (Jewish Telegraphic Agency).

Jews need have no fear under the present Government, the J.T.A. was assured to-day in Government circles.

There are among the new high Government officials several men who are well known as friendly to Jews, it was pointed out. State Secretary Planck, for instance, is the son of Professor Planck, the great scientist, who is Professor Einstein's closest friend. Another man who is known for his friendship with Jews is Privy Councillor von Kaufmann, the new head of the Federal Government Press Department. The new Foreign Minister, too, Baron von Neurath, who was till his appointment Ambassador in London, is well known as a friend of the Jews.

These appointments show that the new Government has no antisemitic tendencies, the J.T.A. was assured, and that it will not encourage antisemitism.

UNFOUNDED RUMOURS OF REVOLUTION IN GERMANY.

London, June 5th. (Jewish Telegraphic Agency).

Most of the London Sunday papers comment to-day on rumours of a revolution in Germany that were circulated with dramatic persistence all over Europe last night. A message was circulated to the press that "a revolt has broken out in Germany, that troops have been called out, and that news messages for abroad have been stopped".

Though this message remained unconfirmed and denied, it reflects the state of unparalleled tension which has seized the German people, the "Sunday Express" remarks.

Anything, it says, may happen in Germany this week. In well-informed circles in Whitehall, it claims, the possibility of a revolution or a dictatorship or both was openly canvassed.

In German National circles it is believed, the "Sunday Times" says, that President Hindenburg will issue a proclamation on October 2nd., urging the election of the former Crown Prince. Official circles will, no doubt, deny any such intention on the part of the President, but confirmation of the report appears in an article in a Munich Sunday paper. This says: "Hindenburg will resign in the autumn, in favour of the ex-Crown Prince as Administrator of the Reich".

The dismissal of Dr. Bruening from the German Chancellorship last Monday, and the prompt appointment of Captain von Papen to take his place, may mark the beginning of the end of the German Republic as it has existed under the Weimar Constitution since the end of 1919. Mr. Wickham Steed writes in the "Sunday Times".

To those who believed in him, he proceeds, Dr. Bruening's fall is disconcerting. To those who prefer to look facts in the face it is not unwelcome. They see the true features of a Nationalist Germany emerge, as in a dissolving view, through the smooth and debonaire countenance of the late Chancellor.

Captain von Papen's Cabinet of Junker barons and big industrialists confirms the impression, Mr. Wickham Steed says, that the new Government, which has been placed in power by the advance of Hitlerism, may be more reactionary than Herr Hitler himself. President von Hindenburg's action in dissolving the Reichstag immediately shows that, in him, the feelings of an East Prussian noble have ended by triumphing over his scruples as constitutional guardian of the German Republic.

If the von Papen administration gives the impression of being strong and ruthless, the masses of the German people may follow its lead, for they love, above all, to be commanded and to be told what they have to do.

Mr. Garvin writes in the "Observer" of the astonishing and ominous change in the German situation. President Hindenburg has succumbed at last, he says, to dangerous advice. The coup d'etat decreed in the Reich is calculated, like nothing else conceivable, to increase uncertainty and to prolong it. For this there can be no cure until Germany returns to some sort of representative regime. A Nazi cabinet itself would be better than a junker-junta.

Better any Government, whatever its colour otherwise, with an undoubted claim to speak for the majority of the German people. Better for the Nazis to join hands with the Catholic Centrum both in Prussia and the Reich. Better still for both these elements to make a working compromise with the Socialists as well; so as to constitute in Germany a genuine National Government like our own, representing an overwhelming majority of the country.

Had his present action been foreseen, Mr. Garvin argues, Marshal von Hindenburg, who owed his victory largely to Dr. Bruening's unsparing exertions, never would have been re-elected a few weeks ago to the presidency of the Reich.

SIX MONTHS' IMPRISONMENT FOR PRACTISING SHECHITA IN PRUSSIA IF NAZI BILL SHOULD BE PASSED.

Berlin, June 4th. (Jewish Telegraphic Agency).

Six months' imprisonment and a heavy fine in addition will be the penalty for practising Shechita in Prussia, if the new anti-Shechita bill introduced by the Nazi fraction into the Prussian Diet should be adopted.

The bill would prohibit Shechita not only for cattle, but also for poultry.

NO IMPRISONMENT FOR ANTISEMITIC STUDENT RIOTERS AT BERLIN UNIVERSITY: APPEAL COURT QUASHES SENTENCES.

Berlin, June 4th. (Jewish Telegraphic Agency).

The Prussian Supreme Court has to-day quashed the sentences passed on seven Nazi students by the Lower Court in Berlin for taking part in the antisemitic disturbances at Berlin University.

The Berlin Court had sentenced the Nazi students a few days after the disturbances to terms of imprisonment ranging from eight months to four months.

The Supreme Court has fined one of the students 150 Marks and another 50 Marks for disturbing the peace, dismissing the charges against the rest.

The Democratic press protests that the Supreme Court is, by its decision in this case practically inviting the Nazis to start fresh disturbances at the Universities.

NEW ATTACK ON JEWISH SOCIALIST STUDENTS IN VIENNA.

Vienna, June 4th. (Jewish Telegraphic Agency).

Jewish Socialist students were attacked to-day by Nazis outside the Technical High School. One of them was stabbed.

Inside the Technical High School there was no disturbance, the Rectorate giving protection to the Jewish students.

TWO JEWS IN NEW FRENCH CABINET: SEVERAL PROMINENT PRO-ZIONISTS INCLUDED.

Paris, June 4th. (Jewish Telegraphic Agency).

There are two Jews in the new Herriot Government, M. Leon Meyer, who is re-appointed to his old office as Minister of the Mercantile Fleet, and Senator Alexandre Israel, who has been appointed Under-Secretary to the Prime Minister's office.

The new Ministry includes four prominent Pro-Zionists, M. Justin Godart, the President of the French Pro-Palestine Committee, Senator de Monzie, M. Paul Painleve, and the Negro Deputy, M. Candace, who have all frequently addressed Zionist meetings and declared themselves strongly in support of the Jewish work in Palestine.

BOUENMAN JE'S SHED NO TEARS AT FALL OF JORGA GOVERNMENT SAYS
JEWISH DEPUTY.

Bucharest, June 3rd. (Jewish Telegraphic Agency).

Neither from the general point of view by the country at large, nor from the Jewish point of view by the Jewish population is there any regret at the fall of the Jorga Government, Dr. Samuel Singer, one of the members of the Club of Jewish Deputies, said to the J.T.A. here to-day. All are pleased that it is gone, and there will be no tears shed for it anywhere. For the Jorga Government has failed to act up in any way to the expectations placed in it when it came into office. It has left the country much worse off economically and financially than when it took office. The Government is not responsible for all the difficulties that have since cropped up, but it certainly showed itself incapable of doing anything to avert the crisis.

From the Jewish point of view, our Jewish schools and our Jewish communities are in a more desperate plight now than at any previous time. Not a penny has been paid out in State subsidies to Jewish Communities or Jewish schools, even for the year 1931.

Under the Jorga Government the Jewish population has been subjected to persecution and terrorism in some parts of the country at the hands of the authorities, whose duty it should be to maintain law and order. During the period of office of the Jorga Government, we also had the desecration of the synagogue in Jassy.

Even though the Government is not to blame for this act of vandalism, it cannot escape the responsibility, however, for the fact that none of the vandals have been punished.

Towards the end of its life the Jorga Government actually entered into a pact with the Cuzist groups in Parliament, and this has outraged the Jewish population.

It is our earnest hope, Deputy Singer said, that the King will now entrust the Government to people who enjoy the confidence of the country, and who will treat the Jewish population as equal citizens, and will maintain order and justice.

JEWISH INFLUENCE BEHIND EGYPTIAN GOVERNMENT SAYS JERUSALEM GRAND
LUFTI ORGAN: JE'S BLAMED FOR DEPORTATION OF HEBRON ARABS
FROM EGYPT.

Jerusalem, June 3rd. (Jewish Telegraphic Agency).

Every day Hebron merchants are being deported from Egypt under police escort to Palestine, the Hebron correspondent of the "Jamea el Arabia", the organ of the Grand Lufti, complains.

The number of Hebronites who have been driven from Egypt in this way is in the neighbourhood of 200, he says.

The Egyptian Government claims that these Hebronites entered Egypt on merchant visas or without visas at all. But we are informed, the Hebron correspondent declares, that the influence of the Jews on the Egyptian Government is responsible for the deportation of these Hebronites.

If this state of affairs continues, he says, not a single Hebronite will remain in Egypt. We appeal to the national institutions to prevail upon the Egyptian Government to change its policy in this matter.
