## Ukrainian Anti-Semitic

Rioters Led by Germans  
in Secret Deal, Is View

Nazis Believed to Promise Aid to  
National Minority in Return  
for War on the Jews

(Jewish Telegraphic Agency)

VIENNA, April 19 — A Hitlerite move to organize Ukrainian minorities everywhere against the Jews is charged in the Vienna press today which declares that anti-Semitic rioting in the city of Czernowitz last night was carried on by Ukrainians instigated and led by Germans. More than a hundred Jews were injured, several seriously, when several hundred rioters looted Czernowitz Jewish shops and attacked Jewish pedestrians, necessitating the calling of troops to restore order.

The disorders, first attributed to followers of Professor Alexander Cuza, notorious Roumanian anti-Semitic leader, are really of a more serious character, Vienna newspapers assert today, since they reveal a Hitlerite program to organize the Ukrainians against the Jews by promising support to the movement for Ukrainian independence.

## Franck's Resignation May

Cost Gottingen U. S. Money

(Jewish Telegraphic Agency)

BERLIN, April 19—The resignation of Professor James Franck, one of the eight German Jewish winners of the Nobel Prize, from his professorship in Gottingen University in protest against Hitlerist anti-Semitic activities, may prove a severe blow to the university, it was pointed out here today. Because of the great popularity the noted physicist enjoys in American scientific circles, it is said, the Rockefeller and other foundations have given the university many grants which now may be withdrawn.

In his letter of resignation to the rector of the university, Professor Franck, who in addition to his scientific achievements, is the possessor of a notable war record, said he declined to take advantage of the concession offered to Jewish war veterans in allowing them to retain their positions. He said he did not wish his children to grow up with the knowledge that they can never prove themselves to be Germans.

## 5,500 Certificates Granted Palestinian Immigrants; Arab Chief Lauds Jews

Agency Seeks Over 7,000 More; Cun-  
liffe-Lister Feted by Native  
Tribesmen

(Jewish Telegraphic Agency)

JERUSALEM, April 19—Fifty-five hundred immigration certificates have been granted by the Palestine Government instead of the 12,750 demanded by the Jewish Agency, it is learned here. The number includes one thousand issued for German Jews. The Agency is continuing determined efforts to obtain a larger number of the certificates.

Sir Philip Cunliffe-Lister, Secretary of State for the Colonies, who is now touring in Galilee, yesterday afternoon visited the village of Rosh-Pinah, where a reception was held for him. Neighboring Arab villages also participated in the welcome.

One of the sheikhs, in a speech declared that the Arabs want cooperation with the Jews from whom they have learned much, particularly in the field of agriculture. In replying, Sir Philip expressed pleasure at the signs of Arab-Jewish friendship, and praised the work of the Rothschilds in the upbuilding of the country. He later visited some kvutzoth (collective farm colonies) including Kfarqun where there are a number of German chalutzim (settlers).

BERLIN, April 19—Twenty-seven Jewish physicians at the Rudolf Virchow Hospital in Berlin have been dismissed from their posts by the Berlin State Commissar of Health acting in conjunction with the Union of National Socialist (Nazi) Doctors, the municipality of Berlin announced today. Another twenty-six Jewish physicians will be dismissed from the medical services in the central district of Berlin beginning June 30.

(Jewish Telegraphic Agency)

DANZIG, April 19—A bomb was thrown at a Jewish restaurant on the Radbinzgasse causing considerable damage but no loss of life.

## Jews of Fascist Italy Urge Clemency for Those of Nazi Germany

Resolutions Urge End of Brutality in  
All Nations; Rabbin to Read  
Them in Synagogues

(Jewish Telegraphic Agency)

ROME, April 19—The first session of the newly-elected executive of the Union of Jewish Communities of Italy has adopted resolutions "in behalf of the entire Italian Jewry whose brotherly feeling is aroused towards German Jewry, and whose conditions may wish that normal living conditions be reintroduced as soon as possible and that unjust restrictions may be abolished, granting the Jews equality."

Another resolution which was adopted declares "the Jewish communities express the wish that all cultured nations undertake and form a binding treaty to render impossible the return of brutal forms of persecution and protect the Jews from maltreatment and unjust attacks."

The new executive, under the chairmanship of Felice Ravena, has requested all Italian rabbis to recite these resolutions in the synagogues and to make references of a similar nature in their sermons.

The Jews of Italy, it is learned, realize the significance of these steps in view of the delicate situation created by the existence of a Fascist regime in Italy, and the fact that their actions are directed against the Fascist regime in another country. At the same time they are convinced that the Italian Government approves their expression of solidarity with their endangered coreligionists in Germany.

## Croatian Nationalists Start

Boycott Against Boycotters

(Jewish Telegraphic Agency)

BELGRADE, April 19—The Croatian Nationalists have initiated a vigorous boycott campaign against the Jews in reprisal for the German boycott which has been effected in Yugoslavia. The motivation for this is believed to be in the desire to rally support from foreign Fascist states for the nationalist movement to make the Croats independent of Yugoslavia. The Government has ordered the authorities here to prevent the anti-Semitic campaign of the Croatian Nationalists, who, surprisingly, are supported by the Catholics.

## Indian Jews Form Zionist Brotherhood

### To Work for Zion and Jewish Commu- nity Without Regard for Self

(Jewish Telegraphic Agency)  
BOMBAY, April 19—A Zionist Brotherhood, consisting of Indian Jews who will undertake to live on bare necessities and devote their lives to working for the Jewish National Home and the uplift of the local community has been founded here under the leadership of an English Jew, Adolphe Meyers, who was previously a delegate of the Keren Hayesod.

The Jewish National Movement, the program declares, is making slower progress than it should, not because it is not possessed of truth and justice, but because it has not succeeded in convincing more than a small section of the Jewish people that it is worthy of complete self-sacrifice. If only the virtue of the complete abandonment of self could have been brought home to the Jews their success in Palestine would have been assured. So far, the program declares, there is no one in the Diaspora who has set an example of self-sacrifice by living for others and forgetting himself in order to serve the nation. They claim that there has been no Jewish missionary working for Zion.

The Zionist Brotherhood intends that its members should retire from all material things and give up all thought of their personal future. They will devote their lives to Zionist work, educational and practical. Instead of plough-

## Palestine Laborite "Bombed"

### Making Warsaw Speech; Youths Clash in Tel-Aviv

(Jewish Telegraphic Agency)  
WARSAW, April 19—A bomb filled with bricks and sand, weighing eight kilograms, was thrown at David Ben-Gurion, Palestine Labor leader and head of the Histadruth, as he was addressing a meeting in the Nowosci Theatre here last night. Members of the Brith Trumpeldor, organization of young Zionists-Revisionists, are believed to have thrown the missile which, fortunately, did not explode.

Vladimir Jabotinsky, head of the world Revisionist organization, has ordered the dissolution of the Trumpeldor group in Germany in view of political conditions there and has strictly forbidden the wearing of uniforms of the group.

(Jewish Telegraphic Agency)

TEL-AVIV, April 19—At noon Monday one hundred members of the Brith Trumpeldor, returning from an all-Palestine Convention of their party and from sports on the Maccabi grounds, were attacked on Allenby Street by workers of the Left Wing who distributed leaflets against "Jewish Hitlerites". Many of the Trumpeldor boys and girls were injured. Several of the attackers were arrested. The incident caused considerable excitement.

The Brith Trumpeldor convention resolved to support Vladimir Jabotinsky, who recently assumed dictatorship in the Revisionist Party, dissolving the Executive of the party and arranging for a referendum among the Revisionists.

### Zondek, Whom Berlin Fired, To Lecture in Stockholm

(Jewish Telegraphic Agency)

STOCKHOLM, April 19—The Stockholm press reports that negotiations leading to an invitation to Professor Bernhard Zondek, German-Jewish gynecologist who was ousted from his post at the University of Berlin, to continue his research at Stockholm, have been begun. Professor Zondek, it was officially announced, is now en route to this city for a series of lectures. The question of his continuing his work here will be discussed further after his arrival.

ing the soil, members of the community will indulge in manual work of a suitable nature in order to provide for the necessities of life. All their spare time will be devoted to the welfare of the community and the establishment of the National Home. The motto of the organization is to be "Man only believes as deeply as he lives." There can be no compromise between real beliefs and the conduct of life itself. Only in such a way, they declare, can we make ourselves of any value to the life and progress of the community.

### 1,200 Jewish Families In Salonica Threatened With Loss of Shelter

(Jewish Telegraphic Agency)

SALONICA, April 19—One thousand two hundred Jewish working class families of Salonica are in danger of being left without any shelter as a result of the fire of 1917, which left half the town without shelter, town planning followed by the Government, including the erection of a new station which has thrown hundreds of Jewish families into the streets.

Although the Government has provided for the comfortable and hygienic housing of the Greek residents who suffered through the fire of 1917, as well as for the Greek refugees who came from Asia Minor in 1922, the Jews still languish in hovels and insanitary huts, laying themselves open to the cruellest of diseases, tuberculosis. As a result of the town planning even these hovels will soon have to be demolished.

The problem of finding accommodation for these families is a very pressing one. The Jewish Community itself is unable to assist, for the enormous sacrifices that have already been demanded of it have brought it to the end of its resources. Owing to the increasing pauperization of the Jewish population, communal receipts are continually decreasing, and the financial position of the community is precarious.

### Storm Troopers to "Purge" Greece, Say Its Officers

(Jewish Telegraphic Agency)

SALONICA, April 19—The Greek national storm troops, formed by Greek anti-Venizelist reserved officers and non-commissioned officers, has just issued a communique saying that the object of the troops is to purge the country in the same ways as the Fascist troops of Mussolini and the storm troops of Hitler have purged Italy and Germany and relieved them of their distress.

Several Greek papers, both Venizelist and anti-Venizelist, continue to praise the work of Hitler, as if they wished to set it up as a model for Greece, publishing every day articles or "Letters from Germany," and reproducing the views of the "Voelkischer Beobachter."

### Weizmann Ends His Visit

(Jewish Telegraphic Agency)

JERUSALEM, April 19—Dr. Chaim Weizmann, noted Zionist leader and former president of the World Zionist Organization, concluded a visit to Palestine today. He is to visit the United States soon.

SYRACUSE, April 19—Rabbi S. Joshua Zambrowsky of the Congregation Pooley Tzedek and author of several Talmudic works in Hebrew was asked last week to reside officially in the future as the chief Rabbi of Jewish Council, the newly formed group in Buffalo, which includes the orthodox groups and synagogues of that city.

**Anti-Semitic Journals****Resume Their Attacks****On Jews in Quebec**

**Meeting Called for Friday to Protest  
Participation of Officials in Anti-  
Nazi Demonstration**

(Special Correspondence)  
(Jewish Telegraphic Agency)

MONTREAL, April 18.—The suspicion that Hitlerite agents are inspiring anti-Semitic propaganda in the province of Quebec is indicated in an editorial of the local "L'Autorité", a liberal weekly, in the current issue.

The editorial which appears under the heading, "Why Are the Young Canadians Against Jews?" refers to the activities of the newly-organized society of "Les Jeunes Canadiens", and its call to a meeting of protest against Canadian government heads for their participation in the Jewish anti-Hitler demonstration.

"L'Autorité" wants to know whether the Young Canadians intend to continue the anti-Semitic agitation of the notorious "Goglus"; it also wishes to know whether it is true that Hitlerites have found a fertile soil for their agitation in Quebec.

The call to the protest meeting which is to take place in a local church Friday was published by the Young Canadians in all the French papers. "Le Devoir", which evidently replaces the anti-Semitic Goglus weeklies and encourages the newly-organized society, publishes the appeal of the Young Canadians with the following comments, in effect:

The population of Montreal and that of the entire country was put to shame by the action of some of our government heads who addressed the Jewish protest meeting against Hitler in the Mount Royal arena. As for the Jews they may well be excited. It is their affair. But our own people have no right to stake the reputation and the interests of the entire nation by defending a group of immigrants.

The Young Canadians wish to protest publicly against such action and want to state clearly what should be the attitude of the Canadians towards the Jews. They are not anti-Semites. They do not agitate for attacks against Jews. They, however, wish to make the Jews know their place and make our rulers cease to flatter an electorate that votes 110 percent.

The French paper "Le Canada" publishes the appeal of the Young Canadians in the form of a letter to the editor with the following remark: "We have already expressed our opinion about Hitler very loudly and we are glad to be in the same boat with the government heads, who are censured for protesting against Hitler's actions."

"Le Devoir" is not alone in its indignation against the anti-Hitlerite protest meeting of the Jews. "L'Action Catholique" complains that nobody cares for the "Christians that are suffering

### **Nazis Picture Germany Leading in a World Drive**

(Jewish Telegraphic Agency)

BERLIN, April 19 — Yesterday's "Voelkischer Beobachter", the chief Nazi organ here, in an editorial in effect pictures Germany as leading the world in a purification campaign against the Jews. "The American nation suffers from a Jewish menace like Germany for she has more Jews. Germany is now leading in a war of salvation for all Christian nations which will follow us when they have seen how Germany has cured itself of this disease of Jew-Bolshevism."

and starving in the Russian prisons", whereas protest meetings are being arranged against the "steps taken by Hitler against the Jews in Germany." Nobody is perturbed over the suffering Christians, the paper says. "But when a German Fascist agitates that Jews be prohibited to transact business the world is in a commotion and we go whirling with it. Could we not be slightly less absurd?"

(Jewish Telegraphic Agency)

BERLIN, April 19—A bronze tablet in memory of Rathenau, which was placed at one of the main approaches to the Grunewald, on the site where he was assassinated, has been removed.

The National Socialist Medical Society and the National Socialist Lawyers Association of the province of Franconia adopted a resolution demanding the complete elimination of Jews from the liberal professions. This resolution was adopted in the face of the tendency of the government to permit certain classes of Jewish lawyers to continue in the practice of their profession.

BALTIMORE, April 19—The Rev. Dr. Samuel Rosenblatt, rabbi of the Beth Tfiloh Congregation and lecturer in Jewish literature at the Johns Hopkins University, is one of three Baltimore scholars who have been extended grants in aid by the American Council of Learned Societies.

The Baltimoreans are among fifty-seven scholars named by the council at Washington to share in \$64,000 in research grants.

Dr. Rosenblatt said his grant would be used to further his work on the first English translation of a theological moral treatise by Abraham Maimonides, son of Moses Maimonides, the most famous Jewish philosopher of the Middle Ages.

The grant would be used, he declared, to pay for the photographing of the Maimonides manuscript in the Lenin-grad Library, a task already begun.

(Jewish Telegraphic Agency)

WARSAW, April 18—The Club of Jewish members of the Polish Parliament has issued an appeal urging the continuation of the anti-German boycott. The appeal points out that although the Nazi boycott against the Jews in Germany has officially been called off it is in practice being continued and is systematically destroying the economic position of the Jews of Germany. The Club of the Jewish members of the Polish Parliament declares that it cannot accede to the requests made by German-Jewish organizations to refrain from further protests, not only because it is convinced that these requests are made under intimidation but also because Nazi anti-Semitism is bound to endanger the Jews of other countries.
