### WORLD URGED TO ADOPT NAZI 'SOLUTION' OF JEWISH PROBLEM

BERLIN, August 18. (JTA) -- Germany's "solution" of the Jewish question was held up as a model for the rest of the world to follow in a short wave radio broadcast today by Hans Hinkel, commissar of "non-Aryan" culture.

"The world must realize," Mr. Hinkel declared, "that the German solution of cultural Jewish problems cannot be altered since they are based on justice. "Also, He added, "they might serve as a model for the rest of the world."

Meantime, the Stuermer, Julius Streicher's notorious anti-Semitic weekly, was reported here today as having embarked upon a methodical campaign to undermine the existence of the remaining Jewish business and financial concerns.

An indication of the methods being pursued by the Stuermer in this direction was revealed in a letter the publication sent to a large business house near this city.

The letter reads: "We note with amazement that your list of customers includes the following Jewish firms. Your explanation is awaited. Heil Hitler."

Other developments in the nation-wide campaign against Jews, which continued to gather momentum after Streicher's speech here Thursday night, are as follows:

In Munich, Minister of Public Health Dr. W. Schultz, addressing a meeting of the German Academy at the University of Munich, announced that a law will be promulgated shortly forbidding marriages between "Aryans" and Jews or half-Jews. He also announced that trade with Jews will be legally forbidden and that fines will be imposed upon Germans who continue to patronize Jewish shops.

Dr. Schultz further disclosed that Jewish children will be entirely excluded from German schools. In the future, he stated,

no Jew will be permitted to become the manager of any enterprise. Neither will Jews in the future be allowed to employ German servants, Dr. Schultze announced.

In Schluechtern, Hessen-Nassau, German shops displayed notices that Jews would not be served there. Jewish stores and residences in the city were plastered with yellow posters today with the single word "Jew" in large black type.

#### WIEZMANN WANTS RIGHT TO CHOOSE EXECUTIVE AS PRESIDENCY CONDITION

LUCERNE, August 18. (JTA) -- Dr. Chaim Weizmann, former president of the World Zionist Organization, will accept the presidency at the Zionist Congress opening here next Tuesday only on condition that he be given the right to choose a Zionist Executive in accordance with his own wishes, it was reported in Congress circles here today.

Meanwhile, preliminary conferences had ended and the delegates used the Sabbath for inter-factional conferences regarding Congress issues.

Dr. Weizmann's demand was viewed here as harming his chances for election, especially in view of the fact that it is known that the Laborite Zionists, who are in the majority at the Congress, do not intend to accede to any such demand.

#### POLISH GOVERNMENT APPROVES LODZ BUDGET

LODZ, Poland, August 18. (JTA) -- The city's budget for 1935-36 has been sanctioned by the Federal Government, it was announced today by Mayor Colonel Glazek. The budget includes allocations for Jewish institutions which had been cancelled by the former City Council, dominated by the anti-Semitic National Democratic Party majority.

#### RABBIS ASKED TO AID UNITED JEWISH APPEAL

NEW YORK, August 18. (JTA) -- Felix M. Warburg, national chairman of the United Jewish Appeal, today called on rabbis of the country to urge congregants on the forthcoming High Holidays to support the Appeal's \$3,250,000 drive for relief of the Jews in Germany and other countries.

"We Jews," said Mr. Warburg in a statement, "would be untrue to our past and faithless to our future if we could not at this time give new evidence of our loyalty to each other and of our willingness to share the common burden."

### URGE POLISH JEWS TO VOTE

WARSAW, August 18. (JTA) -- The Agudath Harabonim, union of orthodox rabbis, today issued a manifesto declaring that it is the duty of every Jew who is eligible to vote to participate in the national elections to the Sejm. The elections are scheduled to take place September 8.

The Socialist Zionists, the Jewish Socialists and Group "A" of the General Zionists have decided not to participate in the elections. However, General Zionists Group "B", the Mizrachi (orthodox Zionists) and the Agudath Israel (extreme orthodox group) have announced they will participate.

### GERMAN COURT RULES "ARYAN" CANNOT BE APPRENTICED TO JEW

BERLIN, August 18. (JTA) -- The Jewish race is so completely contrary to all that is German that a German minor cannot be apprenticed to a Jewish business-man, according to the decision of the Law Court at Verden published in the current issue of Deutsche Justiz, organ of the Reich Ministry of Justice.

The court refused to sanction an apprenticeship agreement between the guardian of a minor girl and a Jewish business-man, ruling the agreement would not be in the interests of the girl, the state or the nation.

The year of vocational apprenticeship should serve, the court set out, not only to give the minor a trade training but an opportunity to become acquainted with world politics in the National Socialist spirit.

Another decision, handed down by the Law Court at Zell, refused statutory "poor person" legal services to an "Aryan" girl who wished to sue to compel her father to supply her with a marriage outfit to wed a "non-Aryan."

The court upheld the father's refusal to condone the marriage, stating, "The present state conception is opposed to marriages between "Aryans" and "non-Aryans."

### NEW GERMAN LAW TO DISENFRANCHISE JEWS, GENEVA HEARS

GENEVA, August 18. (JTA) -- A new German Citizenship Law which will formally and completely disenfranchise the Jews will be proclaimed at the National Socialist Party Congress at Nuremberg Sept. 10, according to reliable reports reaching here from Germany.

The principle of the "Aryan" paragraph, at present contained in the Officials Law, will be included in the new Citizenship Law, the report says. Marriages between "Aryans" and "non-Aryans" will be prohibited by law for the first time.
