### HARVARD TO BOYCOTT OLYMPICS UNLESS PERSECUTIONS STOP

CAMBRIDGE, Mass. Sept. 26. (JTA) -- Harvard College will not send representatives to the Olympic Games in Berlin if the German government attempts to bar Jews from the games, the Jewish Telegraphic Agency was told today by William J. Bingham, director of athletics at Harvard.

Mr. Bingham, who is a member of the American Olympics Committee, also stated that Harvard will not make its usual contribution of \$1,000. to the general Olympic fund if the persecutions persist.

Although Harvard does not directly enter contestants in the Olympic games, athletes under its colors are entered in the competitions in this country from which are selected the members of the American Olympic Team.

Harvard will not allow its athletes to enter these competitions under Harvard colors, Mr. Bingham stated.

### NAZI LEADERS SPLIT ON NEW LAWS, PROMULGATION DELAYED

BERLIN, Sept. 26. (JTA) -- Expected yesterday, the new administrative regulations putting into effect the recently enacted Reichstag laws will not be announced before the week-end, it was learned here today when it was disclosed that a sharp dispute over these regulations has developed behind the scenes.

The issue at stake is whether the new laws shall affect full-blooded Jews only, or also other "non-Aryans," it is learned. The Reichswehr, it is understood, favors the former interpretation, since otherwise many "non-Aryans" will automatically be expelled from the army. The radical wing of the Nazi party, however, is insistent that the new laws affect all "non-Aryans."

This difference of opinion is responsible for a split in Nazi leadership which delayed the announcement as to how the laws are to be applied.

One Nazi paper points out that the announcement of the new regulations will coincide with the Jewish New Year and will be "a special contribution by the Nazis to the spirit of the occasion."

Disclosing why the idea of giving Jews a national minority status was given up, the Nazi press today states "it was feared that Jews might somehow manipulate and invent issues with which they could come before the League of Nations."

"We can easily imagine," the statement says, "how the League would handle Jewish complaints and how it would welcome them."

For removing copies of the Stuermer, Streicher's pornographic anti-Semitic paper, which had been posted in the streets of Dortmund, the municipal court there today ordered the dismissal of a city official and fined him thirty marks.

In passing sentence, the court emphasized that the Stuermer "serves Nazi interests, and that by removing the posted copies, the city official displayed his opposition to the present regime."

GOLDMANN, JOURNALIST BANISHED FROM GERMANY, DIES

VIENNA, Sept. 26. (JTA) -- Dr. Paul Goldmann, noted journalist and for many years Berlin correspondent of the Neuen Freien Presse of Vienna, died here today. He was 70 years old.

Of great service to Germany and to the German Reichstag many times during his long journalistic career in foreign countries, Goldmann was arrested by the Nazis in August, 1933, for alleged "subversive activity." He was kept in prison for three days and was released only through the intervention of E. A. Mowrer, Chicago newspaperman, then president of the Association of Foreign Correspondents in Berlin. Goldmann was forced to leave Germany and Mowrer had to resign his post and accept a transfer to Tokyo.

Goldmann was born in Breslau, January 31, 1865. He studied at the university there, later accepting an editorial post in Vienna. For ten years he was correspondent for the Frankfurter Zeitung in Brussels, Paris and China. He wrote several books on literature, travel and drama, and in 1916 published a book "Talks with Hindenburg."

LODZ Y.M.C.A. BARS JEWS, DONATION REFUND DEMANDED ✓

LODZ, Sept. 26. (JTA) -- Protesting against what he termed "the introduction of an Aryan paragraph" in the local Y.M.C.A., A. Fruedenberg, noted Jewish industrialist, today demanded that the directorate of the institution return his recent donation of 5,000 zlotys.

This action came as a result of the promulgation of a new rule by the local Y.M.C.A. prohibiting Jews from using its swimming pool.

39 JEWS HOLDING CERTIFICATES REFUSED PALESTINE VISAS

SALONICA, Sept. 26. (JTA) -- Palestine visas were today refused by the British Consul General here to 39 Jews holding immigration certificates entitling them to enter the country as unqualified workers.

Despite the fact that their passports showed otherwise, the Consul General alleged that they are more than 35 years old, and hence, according to law, not qualified to enter Palestine on a labor certificate.

COMMUNITY LACKS FUNDS. NEEDY DO WITHOUT HOLIDAY RELIEF

WARSAW, Sept. 26. (JTA) -- Many indigent Jews here will have to do without relief appropriations for the High Holidays, as a result of an announcement issued today by the Executive Board of the Warsaw Jewish Community.

The announcement states that owing to financial difficulties the community will be unable to distribute its customary holiday charities.

BERLIN JEWS REFUSED HALLS FOR OVERFLOW HOLIDAY SERVICES

BERLIN, Sept. 26. (JTA) -- Special overflow services have been arranged in all Berlin synagogues for the High Holidays, which begin with the Jewish New Year services Friday night.

This was made necessary because rental of all municipal auditoriums and private halls used by Jews for overflow services in the past have this year been refused them.

Assurances were given today that measures will be taken by the authorities all over the country to ensure that Jewish Holiday services shall pass undisturbed in Berlin and in the provinces.

Jewish communities throughout the country have also taken precautions to offer no provocation to the anti-Semites. Men and women have been ordered to dress unostentatiously, to refrain from congregating in front of the synagogues and to go directly home after the services. These measures were taken in order to avoid a repetition of the pogrom on Kurfuerstendamm on Rosh Hashonah eve four years ago, led by the present Berlin police chief, Count Wolf von Helldorf.
