### ARAB TERRORIST LEADER CAPTURED, ADMITS 6 MURDERS; POLICEMAN WOUNDED IN NEW ATTACK

JERUSALEM, March 2. (JTA) -- An auxiliary policeman was wounded today in an Arab attack on a police patrol, while the authorities announced the capture yesterday of Mustapha Hindawy, notorious Arab terrorist and escaped convict, with 17 of his followers.

A band of 70 Arabs attacked a patrol of 20 south of Hebron, wounding the policeman and killing eight horses. Thirty Arab constables rushed from Hebron were repulsed. In response to the radioed call for help, troops were rushed from Jerusalem, but did not pursue the band, fearing an ambush in the narrow ravine.

Hindawy, who was seized by troops in a village near Haifa after police dogs had tracked him from the scene of the slaying Monday of Abraham Goldschlager, was reported to have confessed to participating in a long series of murders going back to last August. Among his victims were said to be Royal Air Force Squadron Leader R.E. Alderson, slain from ambush on Feb. 18, three Jews including Goldschlager, and two Arab police officers.

Among those arrested was Hindawy's brother. Capture of Hindawy was considered the most important development in the Palestine administration's campaign to crush terrorism since the arrest and hanging last November of Sheikh Essadi, aged terrorist leader.

Eight Tel Aviv Jews, held under preventive arrest at Acre concentration camp, were released today. Only five Jerusalem Jews, the last of a total of about 50 held for several months, remain in the camp.

### REPORT INCREASED GERMAN, ITALIAN AID TO ARABS

LONDON, March 2. (Havas) -- Informed Arab sources are convinced that Germany and Italy have increased their alleged undercover aid to the Arab terrorists operating in Palestine, the Laborite Daily Herald said today. This belief persists in spite of the fact that the Italian radio transmitting station at Bari has ceased broadcasts designed to stir up rebellion among the Arabs, the newspaper added.

According to reports reaching the newspaper from Jerusalem a new threat now confronts the British authorities. Arab terrorist chieftains assertedly are recruiting "mercenaries" outside Palestine on a large scale, going as far as Kurdistan to sign up suitable fighting man power. Reports said that 200 "mercenaries," among them a number of Kurds, crossed into Palestine from Syria over the weekend.

THE MEDICAL ASSOCIATION DECIDED TO INTRODUCE THE "ARYAN CLAUSE" BARRING JEWS AS MEMBERS AND ADOPTED A RESOLUTION DEMANDING THAT NO JEWS BE ADMITTED TO WARSAW MEDICAL SCHOOL. JEWISH MEMBERS LEFT THE MEETING AND ANNOUNCED THEY WERE RESIGNING IN A BODY. THE ASSOCIATION RECENTLY VOTED DOWN A RESOLUTION TO INCORPORATE THE "ARYAN CLAUSE" IN ITS BY-LAWS, BUT SUBSEQUENTLY ANTI-SEMITIC NATIONAL DEMOCRATIC MEMBERS GAINED A MAJORITY.

SOCIETY WRESTLES WITH MANY PROBLEMS IN AIDING JEWISH FARMERS HERE

NEW YORK, MARCH 2. (JTA) -- WRESTLING WITH PROBLEMS OF FINANCE, LAND-HUNGRY JEWISH FARMERS' SONS AND INEXPERIENCED GERMAN REFUGEES, THE JEWISH AGRICULTURAL SOCIETY MADE SUBSTANTIAL PROGRESS IN 1937 IN AIDING THE 100,000 JEWS LIVING ON FARMS THROUGHOUT THE UNITED STATES, ITS 38TH ANNUAL REPORT INDICATES.

THE SOCIETY, WHOSE GENERAL MANAGER IS DR. GABRIEL DAVIDSON, CONTINUED ITS WORK OF SETTLING JEWS ON FARMS, PROVIDING ADVICE AND INFORMATION, SEEKING FARM EMPLOYMENT FOR YOUNG JEWS, AND CONDUCTING THE WIDE VARIETY OF ACTIVITIES THAT HAVE MADE IT A SIGNIFICANT FORCE IN THE JEWISH BACK-TO-THE-LAND MOVEMENT.

AN INCREASINGLY SERIOUS PROBLEM WAS PROVIDED BY THE SECOND GENERATION OF JEWISH YOUNG MEN RAISED ON FARMS. ANXIOUS TO STRIKE OUT FOR THEMSELVES, WISHING IN SOME CASES TO MARRY, THEY FIND INSUFFICIENT PROMISE IN THE PATERNAL HOMESTEAD, ARE PERPLEXED BECAUSE THEY HAVE NO TRAINING FOR THE CITY, AND YET CAN SEE ONLY REMOTE POSSIBILITIES OF RISING TO INDEPENDENT FARM OPERATION.

"WITH MORE OF THEM REACHING MATURITY, THIS PROBLEM WILL ASSUME LARGER DIMENSIONS," DR. DAVIDSON WARNED IN HIS REPORT. "MUCH SPLENDID MATERIAL HAS ALREADY BEEN LOST. FARMERS WHO COME UP FROM THE RANKS ADD STRENGTH AND VITALITY TO THE JEWISH FARM MOVEMENT."

SEEKING TO AID GERMAN REFUGEES -- WHICH PROBLEM ALSO "PROMISES TO CLAIM INCREASING ATTENTION" -- THE SOCIETY PROVIDED INFORMATION TO 111 OF THEM IN ITS OFFICE, CORRESPONDED WITH NUMBERS IN EUROPE AND SUCCEEDED IN ESTABLISHING ELEVEN FAMILIES ON FARMS.

SINCE ITS FOUNDING, THE SOCIETY HAS GRANTED 12,313 LOANS AGGREGATING \$7,513,000 TO JEWISH FARMERS IN 48 STATES. ITS FARM SETTLEMENT DEPARTMENT LAST YEAR GAVE ADVICE TO 947 DESIRING TO GO INTO FARMING. IN THE PAST TWENTY YEARS, 20,336 APPLICATIONS WERE RECEIVED BY THE SOCIETY FOR ADVICE. THE SOCIETY HAS BEEN RESPONSIBLE IN ONE WAY OR ANOTHER FOR THE ESTABLISHMENT ON FARMS OF 10,000 PERSONS IN FIFTEEN STATES SINCE THE WAR.
