### NAZIS SHOOT 100 POLES FOR EVERY GERMAN SLAIN, NEUTRAL OBSERVERS REPORT

AMSTERDAM, Jan. 19. (JTA) -- Nazi elite guards are shooting 100 Poles for every German killed, it was reported today by neutral observers arriving here from Poland. Ten Poles are executed for every Pole found with a rifle; they asserted.

The observers reported that the Nazi authorities force terrorized Polish crowds to assemble in public squares to witness the mass executions.

Officers of the German Army were said to be indignant at the excesses of the Nazi guards and were quoted as threatening openly: "The day will come when we shall get rid of these brutes who dishonor the German name."

### New Anti-Semitic Films Made in Lodz

COPENHAGEN, Jan. 19. (JTA) -- New anti-Semitic films are now being produced in Lodz, Nazi Poland. The Nazi press reports that Prof. Muellerfeld, president of the Reich Film Academy, has arrived in Lodz with his entire staff to supervise production of the films.

The Stuermer, anti-Semitic weekly published in Nuremberg by Julius Streicher, demands that Germany introduce yellow badges and other ghetto measures similar "to Warsaw and Lodz" for the Jews in the Reich proper. The Reich Jews, the paper asserts, are the same as Poland's and must be similarly marked so that they might be identified by all.

### Polish Diplomat Gets Report on Jewish Position

LONDON, Jan. 10. (JTA) -- A memorandum outlining the tragic position of the Jews in Nazi Poland was handed to Polish Ambassador Raczyński today by H.A. Goodman, secretary of the religious organization Agudath Israel.

In turning over the document, Mr. Goodman urged that the Polish Government-in-exile issue a new declaration affirming unequivocally the equality of Jewish rights in a post-war Poland.

Raczyński promised to transmit the memorandum and Mr. Goodman's suggestions to his Government. He also promised to intervene to facilitate the entry to England of former Senator Jacob Trockenheim and Deputy Leib Minczberg, both refugees in Wilno, Lithuania.

NAZI-SOVIET PACT SPURS ANTI-CHRISTIAN DRIVE IN GERMANY

BERNE, Switzerland, Jan. 19. (JTA) -- Large-scale anti-Christian propaganda, stimulated by the Nazi-Soviet pact, is under way in Germany, it was reported today by the Swiss Evangelical Press Service.

The service produced a leaflet, said to be widely circulated in Berlin schools by the "German Faith" movement, containing the following catechism: "Who is a Christian?" "No German." "Who can be a Christian?" "No German." "What is Christianity?" "Christianity is the assassination of the people under the cover of religion. The Jew Disraeli said openly what we know to be true today: 'Christianity is Judaism for non-Jews.' For 1,000 years Germany shed its blood in struggle for a foreign God. For 1,000 years Christianity represented the murder of the people.

"You, German brother, were humiliated under the cross, yet you never were Christian. Do you want to continue to vegetate in this mediocrity and mental sluggishness? Mediocrity is unworthy of a German! Become a member of the 'German faith.'"

7 SEIZED IN HUNGARY AS MEMBERS OF NAZI TERRORIST BAND

BUDAPEST, Jan. 19. (JTA) -- The authorities today arrested seven persons charged with belonging to a secret Nazi terrorist organization. One of the suspects is the lawyer for Major Ferenc Szalasy, imprisoned Hungarian Nazi leader.

ANTI-REFUGEE AGITATION STIRRED UP BY GERMAN COLONY IN CHILE

SANTIAGO DE CHILE, Chile, Jan. 10. (JTA - By Airmail) -- The arrival of 500 Jewish refugees on the Italian liner Augustus in Valparaiso late last month has stirred up much controversy in Chilean circles, according to the Catholic newspaper El Diario Ilustrado.

A protest meeting of Chilean merchants and industrialists to stop Jewish refugee immigration was held in Temuco and they organized "to defend their interests against new competitors," the newspaper reports.

There are 2,000 Jews in Temuco and 52 Jewish stores established many years ago. Jewish leaders there charge that the anti-refugee and anti-Jewish propaganda is organized by the German colony in Chile. A parliamentary commission is studying the question of immigration of Jewish refugees into Chile.

A day before the arrival of the 500 Jewish refugees, a heated debate took place in the Chamber of Deputies. Deputy Benjamin Claro asked the Government to institute rigid control over refugee immigration and see that refugees do not stay in Santiago but are moved to rural districts.

Marley Urges Canada to Accept Refugees

OTTAWA, Ont., Jan. 19. (JTA) -- Lord Marley, British authority on refugees, urged in an address last night that Canada permit the entry of a small number of Jewish refugees periodically. Such a policy, he declared, would present no economic problem. Every country, Lord Marley said, recognized that the refugee problem was a Christian as well as a Jewish one.

Following his address, the reorganized Ottawa branch of the Canadian National Committee for Victims of Political Persecution unanimously adopted a resolution urging loosening of the Canadian immigration laws to permit the admission of a greater number of refugees. Practically every woman's organization in the capital was represented at the meeting, with Lady Tweedsmuir also attending.

LONDON BETH DIN ACTS TO FACILITATE 'AGUNAH' DIVORCES

LONDON, Jan. 19. (JTA) -- A decision to facilitate Jewish religious divorce for the "agunah", wife who has not heard from her husband in many years, was announced today by the Beth Din, Jewish religious court.

The move, taken to avoid the same "agunah" problem which arose from the last war, provides for the signing of a declaration by departing Jewish soldiers before the Beth Din or a competent rabbi and two witnesses. By this declaration the husband, before his departure for war service, can give instructions for divorce to go into effect four or five years after the date of the declaration, if at that time there is no definite news as to his being alive or dead.

#### NAZIS' ARAB ANNOUNCER ONCE WORKED FOR JEWISH PUBLISHERS

PARIS (JTA - By Mail) -- The Arab announcer of the Berlin radio station, Hassan, who translates Hitler's speeches into Arabic and whose broadcasts are part of the Nazi Near East propaganda drive, was formerly the protege of wealthy Berlin Jews and was employed by the Jewish-owned publishing house Ullstein-Verlag, it is revealed in the German emigre paper, Das Neue Tagebuch, published in Paris.

Hassan was known for his friendly relations with Berlin Jews. The poems he wrote for the Ullstein Press were sometimes inspired by his Jewish friends. Hassan, under which pseudonym he now broadcasts, was educated in the German colony in Palestine. He wrote a play based on the life of Joseph Trumpeldor and Jewish nationalistic ideas, for which Israel Zangwill wrote an introduction.
