JEWS FLEEING FRANCE AS HITLER DICTATES ARMISTICE TERMS; SOME REACH SPAIN

LONDON, June 21. (JTA) -- As Hitler met the French plenipotentiaries at Compiègne to dictate peace terms feared foreshadowing Nazi domination of all France, the flight of German emigres and French Jews from the stricken country was intensified today.

Refugees were reported to be pouring across the Spanish border in disorderly flight. Baron Eugene de Rothschild of Paris, with only five centimes on his person, was said to be among a group which arrived at San Sebastian.

Another member of the famous banking family, Baron Robert de Rothschild, philanthropist and a leader in refugee aid in Paris, arrived in England yesterday, himself now a refugee. He had joined the French army last September.

Baron Robert, together with Henri Bernstein, the playwright, were among 1,300 persons who made the voyage from a Biscayne port aboard a small ship which normally carries 180 passengers. A newspaper correspondent on the ship told of seeing Baron Rothschild, "once one of the richest men in the world, patiently standing in line, plate in hand, waiting for a dish of rice and meat."

Meanwhile, concern was expressed over the fate of the French Jews and German emigres caught in the German-occupied part of France.

Former Premier Leon Blum, leader of the French Socialists, has been seized by the Nazis and placed in a concentration camp, according to reports here. (A previous Rome dispatch, quoting the newspaper *Lavoro Fascista*, said Blum had arrived in Switzerland on Monday evening and had gone to a villa on the shore of Lake Geneva.)

Foreign refugees interned in a camp in Paris were prevented by French guards from escaping before the advancing Nazi troops, according to the periodical *New Statesman and Nation*.

"One of the most terrible stories out of France," the periodical said, "is that of the interment camp (name unclear in the cable) at Paris where, I am told, French guards remained on duty, preventing foreign refugees from joining the exodus of the French population until it was too late for them to escape the advancing Nazi troops."

KING CAROL FORMS NAZI PARTY; FULL ANTI-SEMITIC PROGRAM EXPECTED

NEW YORK, June 21. (JTA) -- Formation by King Carol of a new totalitarian party along Nazi lines has been announced in Bucharest, the Associated Press reported today. The A.P. dispatch said that the announcement indicated that "a sweeping German victory" had been scored in the battle for political influence in Rumania.

The party, in which the anti-Semitic pro-Nazi Iron Guard will play an important role, will be known as the Party of the Nation and will supersede the present Party of National Rebirth, the sole Rumanian political party.

According to the dispatch, the new development, which had been presaged in previous reports, has been interpreted as meaning that Carol is "prepared to put a full Nazi program into force, even including a return to anti-Semitism in an attempt to win favor with the victorious Reich."

Meanwhile, a United Press dispatch from Bucharest said that hundreds of Iron Guardists were scheduled to be freed under a cabinet amnesty announced last night. for all political prisoners convicted before April 26.

600 REFUGEES ARRESTED IN ITALY; ITALIAN JEWS INCLUDED IN CIVIL MOBILIZATION

ROME, June 21. (JTA) -- Six hundred Polish and German Jews have been arrested throughout the country among the elements considered "dangerous." More arrests are expected.

Contrary to Jews' fears that Italy's entry into the war would bring mass arrests, no drastic measures have been taken against Italian Jews. It is believed only a small percentage of the Jews will be interned for the duration, despite the campaign of Jew-baiters for interment of all Jews.

It is expected that most Italian Jews will be utilized for the war machine in the civilian mobilization. While under the racial laws Jews are excluded from military service, a recent decree regarding civilian mobilization does not mention Jews. The authorities in several cities have confirmed that Jews are included in the mobilization unless instructions to the contrary are issued.

Many Jewish physicians barred from practice several months ago will be drafted for service in military hospitals.

It is reported without confirmation that 3,000 Polish and German Jews will be concentrated in a small town in southern Italy, free to move about within a certain district. The Italian Government is allotting a small allowance for feeding of those concentrated.

In recent weeks 1,000 foreign Jews have left for the Balkans. Before the outbreak of the war 92 Polish Jews went to Tangier from Genoa and 250 left for Palestine. Several hundred are believed to have succeeded in leaving for Yugoslavia, Bulgaria and Rumania after the outbreak of the war. One hundred and fifty obtained visas for Turkey.

One hundred and fifty refugees with United States visas have been unable to secure passage. Plans had been worked out to organize transportation of this group

to the United States via the U.S.S.R., but after the French armistice request an attempt was made to secure transit through France to Lisbon.

Two hundred Polish and German Jews selected in Germany, Switzerland and Italy for colonization in the Dominican Republic were trapped here by Italy's entry into the war. According to Solomon Trone, representative of the Dominican Republic Settlement Association of New York, this group will be directed through France to Lisbon as soon as feasible.

Refugees with Palestine certificates are trying to reach their destination through the Balkans. Consuls are facilitating their transit.

Emanuel Rosen, who set up an office in Genoa on behalf of the American Jewish Joint Distribution Committee to facilitate transportation of emigrants, is studying the problem of refugees in Italy at his Genoa headquarters.

GOLDMANN ARRIVES TO CONFER WITH LEADERS HERE; SCHMIDT BACK FROM LITHUANIA

NEW YORK, June 21. (JTA) -- Dr. Nahum Goldmann, chairman of the World Jewish Congress Administrative Committee, and Samuel M. Schmidt, representative of the Emergency Committee for War-Torn Yeshivos of Europe, were among those who arrived on the refugee-crowded United States liner Washington today.

Dr. Goldmann plans to spend a month in the United States to confer with leaders of the American Jewish Congress and others on the war's effects on the Jewish situation and measures to aid the Jews in Europe. He also plans to confer with United States Government officials.

Schmidt, who is publisher of the Cincinnati weekly Every Friday, spent three months in Lithuania investigating the situation of the yeshivos and of Polish Jewish refugees. He praised the Lithuanian Government's handling of the refugee problem, but said that some of the younger elements among the officials were infected with chauvinism and anti-Semitism. He said the Government was seeking to cope with the problem. His remarks referred to the situation as it existed before the Soviet entry into Lithuania.

There are 2,500 yeshiva students continuing their studies in 19 yeshivos in Lithuania, he said. There are also 1,200 chalutzim (Zionist pioneers). The total number of Polish Jewish refugees in Lithuania is between 14,000 and 15,000, he added.

PETAIN'S NAME WAS LINKED WITH FRENCH CAGOUARD PLOT, REPORTER DISCLOSES

NEW YORK, June 21. (JTA) -- The New York Post revealed yesterday that the name of Marshal Henri Petain, French premier, was among those uncovered in the Fascist "Hooded Men" (Cagouards) scandal in France several years ago. According to Edward Hunter, former special correspondent for the Post in Paris, Petain's name received no public mention in connection with the scandal out of deference to his World War fame won at Verdun.

Petaim, Hunter said, was the dupe of the conspirators who aimed to replace the republic with a totalitarian dictatorship which he would head as a patriotic

duty. Hunter said that Petain, who was named to form a cabinet to make peace with Germany following collapse of the French Army, had been used by the French Fascists in a manner reminiscent of the way Hindenburg, last president of the Weimar Republic, had been utilized by the Nazis.

According to Hunter, French Fascist papers boasted of Petain's Fascist leanings and such newspapers as Je Suis Partout, violently anti-Semitic publication, were the only ones to publish interviews with him.

The name of former Premier Herre Laval, Hunter said, was also identified with the Hooded Men but was suppressed.

SCHWARTZ REACHES LISBON; TROPER EXPECTED FROM BORDEAUX SOON

LISBON, June 21. (JTA) -- Dr. Joseph J. Schwartz, European vice-chairman of the Joint Distribution Committee, who had been stationed in Paris and then evacuated to Bordeaux, arrived here tonight. He said he expected Morris C. Troper, European chairman, to arrive from Bordeaux soon.

BRITAIN MAY BAN USE OF FOREIGN LANGUAGES ON 'PHONE

LONDON, June 21. (JTA) -- Restriction of private telephone conversations conducted in foreign languages is under consideration by the British authorities, it was disclosed in the House of Commons today.

Richard K. Law, financial secretary in the War Office, denied reports that interned refugees were being given rations exceeding those of the civilian population. He said they received meat and sugar in quantities corresponding with that rationed to the public, but the butter and bacon rations for the internees were lower.

HUNGARY CANCELS LICENSES OF 300 HOTEL OWNERS IN CARPATHO-RUSSIA

BUDAPEST, June 21. (JTA) -- The authorities in Carpatho-Russia have cancelled the licenses of 300 Jewish hotel proprietors, it was disclosed here today.

URUGUAY FEARS EFFECT ON REICH RELATIONS IN SUPPRESSING NAZI PLOT

MONTEVIDEO, June 21. (JTA) -- Parliamentary circles were split tonight on what measures should be taken to counteract Nazi penetration as revealed by a parliamentary committee which has bared an alleged plot to seize the country by force.

The committee's findings will not be publicly discussed until Monday. Meanwhile, there was much difference of opinion as to how Nazi infiltration could be frustrated without embarrassing Uruguay in her relations with the Reich. An inquiry conducted in political circles disclosed that efforts have already been made to avoid a decision that would strain diplomatic intercourse with Germany.

The biggest problem was posed by the case of Uruguay's "little Fuehrer," Julius Dalldorf, press attache of the German Legation, who was not arrested in connection with the plot only because he enjoyed diplomatic immunity. It was pointed out that any steps taken against the Nazi organization in Uruguay must involve Dalldorf and, hence, the responsibility of the German Legation, under whose protection he acted.

(Continued on reverse side)

Uruguayan authorities have minimized the plot. Newspapers, however, are publishing documents in the parliamentary commission's possession which are viewed in many quarters as overwhelming evidence against the Nazis. Particularly damning, it was said, is the disclosure of a plan for conquest of the country. This has been studied by Gen. Pedro Sicco, chief of the Army General Staff, who said it revealed a "perfectly defined organization" in the military and economic fields.

ISRAEL SEEN FACING DISINTEGRATION IF WAR WEAKENS FAMILY, HOME

CHARLEVOIX, Mich., June 21. (JTA) -- Israel will face disintegration to the degree that the Jewish family and home are weakened as a result of the war, Rabbi Sidney Goldstein today warned the 51st annual meeting of the Central Conference of American Rabbis in a report for the Committee on Marriage, the Family and Home.

"Both marriage and the family are gravely in danger," Dr. Goldstein's report said. "Israel will suffer and be in danger of disintegration to the degree that the Jewish family and home are weakened."

He recommended study groups for those recently married or about to be married, a consultation service on personal and domestic problems, pre-marital conferences in which young people could be instructed in the meaning of marriage and the foundation of the family in accordance with Jewish ideals and the conclusion of current social science."
