NEW ARRESTS IN ROMANIA REPORTED; JEWISH JOURNALIST HELD

ZURICH, Aug. 14. (JTA) -- Mihail Dan, Jewish newspaperman, and a number of other persons were arrested in Bucharest yesterday on charges they had spread false reports, the German wireless said today.

According to the wireless report Rumanian police had charged that Dan was acting as a British intelligence agent.

GERMAN RADIO SEEKS TO STIR ANTI-SEMITISM IN U.S.

NEW YORK, Aug. 14. (JTA) -- Nazi short-wave radio broadcasts to the United States and other countries have resumed their anti-Jewish attacks, berating Americans for permitting Jews to "control" many of their activities, broadcasts picked up by the Columbia Broadcasting System short-wave listening station disclose.

The broadcasts assail Jewish interests and personalities in this country, France and Britain and exhort Christians to "overcome" this Semitic influence in government and other activities.

"It sounds incredible that Jews should dare to speak, to act, to advise on the most important State affairs for Gentile Americans, who represent 96 per cent of the population, and who, in their great majority, decidedly do not wish to have any traffic with Jews," one broadcast said. "Do Jews believe that it has come to the point where Gentile nations are helpless and cannot decide upon their own affairs and have to bow to the usurpation of Jewish masters?"

The broadcasts inveigh against former Premier Leon Blum of France, former Foreign Commissar Maxim Litvinoff of Soviet Russia and former War Secretary Leslie Hore-Belisha of Britain, pointing out exultingly that these Jews "have been dismissed in a rather inglorious fashion in each country."

The Nazis charge that both Dr. Solomon Goldman, former president of the Zionist Organization of America, and Dr. Emil Ludwig, noted German Jewish writer, have been guilty of war-mongering in this country against the Nazis.

The millions of unemployed in the United States are beginning to doubt whether the "well-being" of banks, "most of them Jewish," is a real barometer of the country's economic situation, the broadcasts state.

Contrary to "infamous atrocity stories" regarding their activities, the Nazis are practising "pure Christianity" by improving the lot of people under their jurisdiction, it is claimed.

COLOMBIA RESTRICTS JEWISH ENTRY, CURBS ALIENS

BUENOS AIRES, Aug. 6. (JTA-Airmail) -- The rights of immigrant Jewish institutions and associations have been restricted by the Colombian Government and that country has been virtually closed to Jews, whether immigrants or tourists, it is reported from Bogota.

The Bolivian Government also has forbidden entry of "Semitic elements" into that country, according to a notice posted up at the Bolivian Consulate here. The Bolivian ruling is retroactive, applying to visas already issued unless they have been re-indorsed. Steamship agencies have been notified of this regulation in regard to Jewish passengers, tourists included.

The restriction on Jewish organizations in Colombia is expected to lead to their dissolution and will make it impossible for immigrant Jews to assemble even for ordinary meetings or consultations. It is also reported that the Government plans to deport all Jews not now engaged in occupations specified in their immigration permits. The action is ascribed to the Government's determination to curtail foreign elements rather than to any specific anti-Semitic policy.

Uruguayan President Hits Anti-Semitism

MONTEVIDEO, Uruguay, Aug. 14. (JTA) -- President Alfredo Baldomir yesterday received a Jewish delegation for an interview during which he condemned anti-Semitism and promised to legalize the status of illegal immigrants.

Nazism and anti-Semitism have been vigorously denounced by democratic German groups here. Christian-Democratic and anti-Nazi Germans, through their organ Zeit, termed anti-Semitism "a cynical violation of the commandment to love one's neighbor as one's self." For that very reason "every honest Christian must combat it," the organ said.

The Independent German Club in a manifesto proclaimed its allegiance with the forces "fighting for liberation of enslaved peoples and, above all, for the liberation of our own (German) nation."

Argentine Agitator Held

BUENOS AIRES, Aug. 6. (JTA-Airmail) -- Enrique Osés, editor of the pro-Nazi newspaper El Pampero and leading anti-Semitic agitator, has been arrested by Argentine authorities and is being held for trial on charges of libeling the British nation. Date of trial has not yet been fixed. Bail has been refused the prisoner.

MME. LUPESCU REPORTED PRISONER IN HER BUCHAREST HOME

NEW YORK, Aug. 14. (JTA) -- The romance of Magda Lupescu and King Carol of Rumania has ended and the auburn-haired royal mistress, who is part Jewish, is a prisoner in her own home in Bucharest, the newspaper PM reported today. Pressure applied by pro-Nazi quarters and the growing German influence in Rumania assertedly caused the King to isolate his mistress.

WRITER CHARGES FORD STILL AIDING ANTI-JEWISH PROPAGANDA

NEW YORK, Aug. 14. (JTA) -- Henry Ford is continuing to aid widespread anti-Jewish propaganda in the United States, Henry Paynter charged today in the fifth of a series of articles in the newspaper PM dealing with fifth column activities in this country.

The author states that Ford workers, when they enter and leave their plants, read such signs as "Jews Teach Communism," "Jews Teach Atheism" and "Jews Control Money."

W.J. Cameron, Ford Company official, is now trying to "corrupt" Protestant ministers throughout the Middle West to the Hitlerite type of anti-Jewish philosophy, the author said. The anti-Semitic Anglo-Saxon Federation of America, of which Cameron is head, is trying to convince Protestant ministers that "Jesus was not a Jew" in order to remove one strong opposition group to Hitler propaganda, Paynter claimed.

The Federation is still selling articles by Cameron on the "Protocols of the Learned Elders of Zion," discredited record of a purported Jewish plot for world domination, according to the article. These articles are contained in two books entitled "The International Jew" and "The Jewish Question." Both books assertedly carry endorsements from Ford in which he paraphrases a mystic Hitler utterance that even if the "Protocols" are false they are probably true in essence.

NEW YORK, Aug. 14. (JTA) -- Magistrate Isaac Siegel in Yorkville Court today sentenced Thomas Dixon, alias "Chief New Moon," to a \$50 fine, with the alternative of 20 days in jail, on a disorderly conduct charge arising from an anti-Semitic speech at a street corner meeting on July 18. He was given until tomorrow to pay the fine.
