NAZIS RENEW EFFORT TO DRIVE WARSAW JEWS INTO GHETTO

GENEVA, Aug. 16. (JTA) -- A new effort to confine all Warsaw Jews into a ghetto has been initiated by the Nazi authorities of the former Polish capital, it was reported today by the Krakauer Zeitung, official Nazi organ in German-occupied Poland.

A previous effort to establish a ghetto, launched shortly after occupation of Warsaw, had to be abandoned because of a typhus epidemic. The current attempt has been initiated by Herr Leist, new Nazi District Chief of Warsaw. Leist has decreed that all Jews living in other sections of Warsaw must move immediately to the section originally set apart as a ghetto and that all non-Jews must leave the quarter. Refusals to comply with the decree will be severely punished.

SLOVAKIA PUTS NEW CURBS ON JEWS: 'ARYANIZATION' DRIVE IMPEDED

GENEVA, Aug. 16. (JTA) -- It was reported from Bratislava today that the Slovakian Government has issued a decree forbidding Jews to employ "Aryan" women under 40 and to possess firearms, ammunition and explosives, which must be surrendered within 48 hours.

Meanwhile, Slovakia's "Aryanization" program has been seriously impeded by a shortage of "Aryans" qualified to manage Jewish industrial and commercial enterprises affected by the program. Joseph Tiso, Slovak premier, admitted in a broadcast yesterday.

Stressing the need for "purifying" Slovak life from Jewish influence, the Premier pointed out, however, that the country had a surplus of State officials who could be transformed into businessmen capable of controlling the Jewish enterprises. Thus, by one stroke, Slovakia could solve the problem of excess civil servants and achieve "purification" of its economy, he added.
