ZURICH, Sept. 29. (JTA) -- An admission that "certain occurrences" involving "avarice" in the taking over of Jewish property had caused temporary suspension of the "Aryanization" program was made in a radio broadcast today by Slovakian Vice-Premier Sano Mach.

"This avarice," Mach said, "is no better than Jewish avarice." He said the program of "Aryanizing" Jewish trade and commerce would be resumed within the next month.

Mach reiterated the Slovak Government's "implacable resolve" to free Slovakia of the "Jewish enemy."

SCHRAMECK, FORMER FRENCH INTERIOR MINISTER, INTERNED

VICHY, Sept. 29. (JTA) -- Abraham Schrameck, former Minister of the Interior, has been "administratively interned" at the village of Pellevoisin, it was announced today.

Schrameck was for a long time vice president of the Democratic Left group in the Senate, consisting mainly of Radical Socialists. He was twice Minister of the Interior in the time of the Left cartel founded by Edouard Herriot when he rose to the premiership after the 1924 elections.

(A New York Times dispatch from Vichy said the fact that Schrameck was interned in a village might indicate the accusation was not concerned with the war. A clew to the charges, the dispatch added, might lie in a correction issued yesterday to the recent decree extending the scope of the Supreme Court's Jurisdiction to offenses of a financial nature, such as malversation of public funds regardless of the statute of limitations. The correction added "bribery" to the enumeration of these offenses.)
