TRAINS WITH JEWISH DEPORTEES LEAVE BELGIUM FOR NAZI-HELD UKRAINE

LONDON, Oct. 5. (JTA)— A special train crowded with Jews deported from the province of Limbourg in Belgium left during the week-end for the Nazi-occupied Ukraine, according to information reaching the Belgian Government here today.

Trains crowded with deported Jews have also departed from Liege and Antwerp, the report stated. The deportees were instructed to take along food to last a fortnight.

The Polish Government here today received a report stating that nine Jews were sentenced to death in the city of Piotrkow, Poland, for leaving the ghetto without permission.

NAZIS ASK VICHY TO INTRODUCE YELLOW BADGE FOR JEWS IN UNOCCUPIED FRANCE

LISEON, Oct. 5. (JTA)— Reports reaching here today from Vichy state that the French Government has been asked by the Nazi authorities to introduce yellow badges for Jews in unoccupied France along the same lines as has been done in the occupied part of France.

This is the second time that the Nazis have requested the Vichy Government to "coordinate" the anti-Jewish regulations of the occupied and unoccupied parts of France so that Jews would be recognized on the street, thus facilitating their arrest and deportation. Marshall Petain, it is reported, is definitely determined to reject the request of the Nazis for the introduction of yellow badges as he did when the Nazis demanded it several months ago, after they introduced the yellow Magen David in occupied France.

Distrusting even Darquier de Pellepoix, the notorious French anti-Semite who is now the head of the Department for Jewish Affairs in Vichy, the Nazis have appointed Admiral Rene Platon as their representative in charge of Jewish questions, one of the reports reveals. Admiral Platon has received from the Nazis a list of Jews marked for immediate arrest and is the person who is pressing the Vichy Government for further deportations of Jews.

"But the trust which the Nazis place in Admiral Platon with regard to Jewish matters is also very limited," the report declares. "One incident is typical. Admiral Platon signed a reprieve for a French Jew who was covered with war decorations and honored for services to the republic, to give him time to settle his business. The German Gestapo annulled the reprieve.

ICHUD PARTY ISSUES DECLARATION; NOT ANTI-ZIONIST BUT OPPOSES JEWISH STATE

JERUSALEM, Oct. 5. (JTA)— A statement clarifying the aims of the newly formed Ichud ("Union") Party, emphasizing that the party is not anti-Zionist but opposes the policy of advocating the establishment of Palestine as a Jewish State, was issued here today by the leaders of the new group. The statement reads:

"After the publication of Dr. Magnes' article on 'Palestine and Arab Union' in the 'Ba'ayot Hayom' in June, it was thought by a number of well-known persons in Palestine that some organized expression should be given to the main idea contained in that article. As a consequence, a meeting of about a hundred persons was held on August 11. The invitations to the meeting were signed by Prof. M. Buber, Mr. Goldwater, Dr. S. Hirsch, Henrietta Szold, Mr. Julius Simon, Mr. M. Smilansky, Rabbi J. Unna and Justice A. Valero. Dr. Magnes addressed this meeting and as a result an interim committee was appointed to draw up a declaration to which those wishing to join the "Union" would adhere.

"It is seen from the declaration that the "Union" is not at all an anti-Zionist organization. It is, however, opposed to the present policy of the official Zionist leadership in advocating the establishment of Palestine as a Jewish State. It is opposed equally to the establishment of Palestine as an Arab State. The "Union" is convinced that the problem of Palestine is inseparable from that of the Middle East, and that the problem of the Middle East is inseparable from the creation of a Union of Free Peoples in which America and England would play a leading part. The declaration is as follows:

"1. The 'Union' adheres to: a) The Zionist movement insofar as this seeks the establishment of the Jewish National Home for the Jewish people in Palestine; b) The struggle throughout the world for a New Order in international relations, and a Union of the peoples, large and small, for a life of freedom and justice without fear, oppression and want.

"2. The 'Union' therefore regards a Union between the Jewish and Arab peoples as essential for the upbuilding of Palestine and for meeting its basic problems. The 'Union' will strive for cooperation between the Jewish world and the Arab world in all branches of life - social, cultural and political - thus making for the revival of the whole Semitic world.

"3. The main political aims of the 'Union' are as follows: a) Government in Palestine based upon equal political rights for the two peoples; b) The adherence of the steadily growing Yishub and of the whole Jewish people to a Federative Union of Palestine and neighbouring countries. This Federative Union is to guarantee the national rights of all the peoples within it; c) a covenant between this Federative Union and an Anglo-American Union which is to be a part of the future Union of the free peoples. This Union of the free peoples is to bear the ultimate responsibility for the establishment and stability of international relations in the New World after the war."

MEXICO ARRANGES INTERGOVERNMENTAL PROTEST AGAINST VICHY DEPORTATIONS

MEXICO CITY, Oct. 5. (JTA)— The Mexican Government will ask all countries having diplomatic relations with France or Laval to join in an urgent protest against Laval's project to exchange 150,000 anti-Fascist refugees in unoccupied France for French prisoners of war. The endangered refugees include 70,000 Jews from various parts of Europe and many half-Jews.

The Government here, which received wind of this project some time ago from its Legation in Vichy, is particularly alarmed about the Spanish refugees who are under Mexican diplomatic protection by special treaty with the Vichy regime.

GOERING WARNS GERMAN NATION OF "JEWISH REVENGE" IF NAZIS LOSE THE WAR

ZURICH, Oct. 5. (JTA)-- Berlin newspapers reaching here today feature conspicuously the warning voiced by Hermann Goering yesterday when he told the German people that they will be "annihilated by the Jews" should Germany lose the war.

Speaking with so much passion and hatred that it was difficult to understand him over the radio, Goering is quoted in the Nazi press as having said the following in his Sport Palace address: "There is something which the people must know. I tell you this because I want you to write it deep into your brain and burn it deep into your soul: What would be the lot of the German people if we lost this struggle? You have read what would happen to our children, what would happen to us men. And our womenfolk would become the spoil of the Jew."

"People of Germany, you must know if this war should be lost, you will be annihilated. The Jew is standing behind this war of extermination. If the German people lose this struggle, its next ruler will be the Jew. What 'Jew' means, I suppose you know; and he who does not know Jewish revenge may read about it. This war is the war of races. It is the decision as to whether the German, the Aryan races, or the Jews shall rule the world. That is what we are fighting for. That is what in the final analysis must be decided."

"We know the Jews. Don't let Churchill and Roosevelt deceive you. They themselves are just ridiculous marionettes in the hands of the Jews. Behind them is standing the Jew. And let none deceive himself that he can escape. It will be of no avail to say: 'I have always been a good democrat. I myself suffered from the wicked Nazis. I acted only under duress.' No, no. Whether someone who had been the greatest admirer of the Jews, or whether he was the greatest Jew-baiter, he will be treated not a bit better."

TAYLOR DISCUSSING REFUGEE PROBLEMS IN LONDON, UNDER-SECRETARY WELLES INDICATES

WASHINGTON, Oct. 5. (JTA)-- Myron C. Taylor, President Roosevelt's envoy to the Vatican, will discuss refugee questions in London where he arrived Saturday en route home from a conference at the Vatican. Under Secretary of State Sumner Welles indicated at a press conference today.

Asked whether Taylor's route home via London rather than directly from Lisbon had any special meaning, Welles replied that it had no undue significance, but he reminded the questioner that Taylor holds, among other positions, that of the United States representative on the Intergovernmental Refugee Committee, and that he has certain contacts in London that he would very naturally want to renew.

SPANISH PRISONS FILLED WITH JEWISH REFUGEES FROM FRANCE, J.D.C. HEARS

NEW YORK, Oct. 5. (JTA)-- A call for urgent relief for Jewish refugees from France arrested in Spain when crossing the frontier in an attempt to escape deportation to Nazi-held territories was received here today by the Joint Distribution Committee from Dr. Joseph J. Schwartz, its European representative in Lisbon.

"Spanish prisons are filling up with refugees from unoccupied France," Dr. Schwartz called. "We are being called upon to supply food and to also make every intervention for their liberation. Yesterday, alone, twenty-five newly arrived refugees in Barcelona were sent to the Spanish concentration camp in Miranda, while their wives remained in prison in Barcelona. The budget for our work in Spain must be augmented." The JDC's budget for work in Spain which has already totalled \$180,500 thus far in 1942, is being increased to \$22,500 monthly. A special grant for the purchase of winter clothing for the internees in the Miranda Camp has also been made.

JEWIS IN POLAND ARE IN CONSTANT FEAR OF DEATH, SAYS UNDERGROUND REPORT

NEW YORK, Oct. 5, (JTA)-- An authentic report from the Jewish underground movement in Nazi-held Poland released here today by its American representation discloses the latest developments in Jewish life in the ghettos. It emphasizes that efforts are being made to educate and feed at least twenty percent of the Jewish children, and that the death rate among adults is constantly growing and recently reached fifteen percent. "This enormous death rate is the result of hunger, tuberculosis and typhus," the report says.

"The most dreadful thing for the Jews is that they are in constant fear of death," the report declares. "Mass-executions of thousands of Jews of all ages, including women, take place in many cities, from time to time, without any special cause. For leaving their appointed domiciles, Jews are usually shot immediately without trial. Compulsory labor absorbs a great number of victims and those who do return home after a few months are usually gravely ill. In Leds thousands of Jewish families are taken away from the ghetto systematically and nobody ever hears from them again. They are poisoned by gas."

Many Dream of Palestine; Anti-Semitism Among Poles Still Strong

Pointing out that the Jewish underground movement faces "great and painful" losses in some cities as a result of the Nazi measures, the report says: "The Jewish opponents of our movement have remained the same. Some of them still dream of Palestine; others are passively awaiting deliverance. Only our movement is strengthening the belief in the future existence and independence of our country and a happy Jewish community there. We are opposed to emigration as a solution of the Jewish problem and plead the cause of civic, national and cultural equality. We demand national-cultural autonomy for Jews in a free, independent and Socialist Poland, which will be a part of a free federation of Socialist European States.

"Because of the Nazis' propaganda, anti-Semitism among the Poles is still quite strong," the report continues. "Part of the underground press of the ONR and OZM, the two Polish anti-Semitic parties, is anti-Semitic, as it was before, and approves of the extermination policy of the Nazis, simultaneously deprecating their barbarous methods. Another part of the underground press, unfortunately, remains silent about this inhuman and - from the national point of view - injurious anti-Semitic policy. Only the publications of the Polish Socialists, of the WRN (these initials represent the names of three radical groups) and some of the other democratic papers are fighting anti-Semitism with determination."

NEW YORK, Oct. 5, (JTA)-- The Pioneer Woman's Organization has undertaken to raise the sum of \$10,000 for the United Jewish War Effort on behalf of Great Britain, Russia and China, it was announced today by Miss Dvorch Rothbard, National Secretary. The organization is conducting its drive in cooperation with the American Jewish Congress.
